James Floyd Jordan

The 1981 Annual of Brushy Mountain Baptist Association is dedicated jointly to the Reverend N. C. Teague and to the loving memory of Brother James Floyd Jordan. The 1964 Annual of the Association was dedicated to Brother Jordan and contains a biographical sketch covering the first seventy-three years of his life.

Brother J. F. Jordan was called home to be with his Lord on April 30, 1981 — twenty four days short of his ninetieth birthday. He remained active, alert, interested, and involved in the life of his community, church, and of Brushy Mountain Baptist Association right up to the final moments of his earthly life. His service to the Association included sixteen years as clerk, two years as Associational Sunday School Superintendent, twenty-three years as historian, and twenty-six years as a trustee of the Association. He had been instrumental in organizing churches and in bringing them into cooperative relationship with the Association. His leadership was instrumental in securing the Associational Director of Missions' residence and the Associational office building.

The daily walk of Brother J. F. Jordan with the Lord, his keen interest in the spiritual life of Wilkes County, and his service to the churches of Brushy Mountain Baptist Association are a legacy beyond price. We commemorate his home-going with thanksgiving for his stature as a Christian gentleman and as a dedicated and useful Baptist layman.

Reverend N. C. Teague

The 1981 Annual of the Brushy Mountain Baptist Association is dedicated jointly to two very dear persons. The Reverend N. C. Teague is one of those. The 1969 Annual of this Association was dedicated to Brother Teague and contains an accurate and fairly extensive biographical sketch of his life and ministry. We attempt only to update that information.

On January 6, 1977 Brother Teague's life-long help-mate, Mrs. Mozelle Teague passed to her reward. She brought to their combined ministry effort missionary training received at Carver School of Missions, now integrated into Southern Baptist Theological Seminary. She served alongside Brother Teague, doing noble work in Sunday School and WMU programming.

N. C. Teague at age 82 has been 57 years in the gospel ministry — 41 as pastor and 16 as interim and supply pastor. He has served 13 churches in an interim capacity since his retirement August 1, 1965. For fifteen years he has served as a Director on the Wilkes Senior Citizens Council and was a member of the Wilkes Community College task force which developed Mulberry Senior Citizens Center. He continues to be an active member of the Wilkes Senior Citizen Club and of Moravian Falls Good Neighbor Club.

The ministry and life of this noble man of God has touched the lives of a host of people in Northwestern North Carolina. This area of our state is a better place because of his ministry.

DIRECTOR OF MISSIONS' REPORT

This year of our Associational life has been a busy and productive one. Much of the time and activity of your Director of Missions has necessarily been devoted to the planning and implementation of our Three-Year Evangelism plan. It has been a great challenge and joy to work with the churches of this association and with the leaders of Stone Mountain, Elkin, and Brier Creek Associations to make the Wilkes Evangelism Crusade a reality and a success. We have seen much accomplished in terms of working together for the advancement of God's Kingdom.

I want to express my gratitude to you, the churches of Brushy Mountain Baptist Association, for making it possible for me and my wife to attend the Baptist State Convention annual meeting, the N. C. Evangelism Conference, the Southern Baptist Convention in Los Angeles, and many other state and national denominational meetings. I have also had the privilege to work with

seven pastor search committees, to supply in several pulpits during the interim periods and while pastors were away. It has been my privilege to introduce four new pastors to our associational program and welcome them to our fellowship. You have permitted me the privilege of community leadership through service on the boards of directors of Wilkes CARES, Wilkes Day Care Center, New River Mental Health and the newly-formed Hospice board. It has been my privilege to provide more than 80 hours of pastoral counseling to persons in emotional or marital stress situations. Other opportunities have included deacon training schools, Bible study and mission study activities in the churches, and ministry to pastors and their family members during illness.

I look toward the next associational year with keen anticipation as we enter into People Search, Simultaneous Revivals (Here's Hope emphasis) and Sunday School growth activity (8.5 x '85). Together we shall have a busy and productive year as we serve our Lord.

Bill McKinney

EXECUTIVE COMMITTEE REPORT

The Executive Committee met four times during the associational year according to normal schedule. An average attendance of 23 representing a cross section of our association was in attendance.

The November meeting was called to order. Devotions were led by Rev. Dean Dillard. Minutes of previous meeting and treasurer's report were read and approved. Organizational and committee reports were given with emphasis on the Area-wide Crusade scheduled for August 1981.

The February meeting was called to order by Kendall Hatton, Vice-Moderator, and devotions were given by James Craig. Minutes of the previous meeting and treasurer's report were read and approved. Organizational and committee reports were given.

The May meeting was called to order and devotions were given from Matt. 28. We were challenged to a greater commitment for the upcoming Area-wide Crusade.

Bob Wilson brought devotions from Romans 8 at the August meeting. This was an especially good meeting as we were again challenged to greater efforts for the crusade.

Also, I feel, this was a pivotal meeting concerning our direction as an association. This new direction, for the most part, concerns our camp efforts and the proposed structure for an associational reorganization.

The detailed minutes of these meetings are kept in our associational office for your inspection and comments.

ASSOCIATIONAL MISSIONS COMMITTEE REPORT

The Associational Missions Committee is a vehicle of cooperative effort of the churches to fulfill the objectives of the Gospel witness throughout the

geographic area of the Brushy Mountain Association. Working closely with the Director of Missions this year, your Missions Committee realizes the tremendous opportunities, challenges, and obstacles in reaching the lost with the Gospel of Christ.

There continues to be a need to establish missions and new churches in our association. This Committee urges each church to become actively involved in the People Search when given the opportunity during the new year. Wilkes Community College has given our Association an open door to minister to the student body through Alpha and Omega Student Organization. If we fail to reach Wilkes County for Christ in 1982, it will be primarily because of "attitude." There continues to be a growing number of church members with an attitude of complacency and unconcern. This alarming trend must be reversed before we can realize the commission of our Lord to "make disciples."

We are thankful for the vision God has given our Director of Missions, Doctor William McKinney. He, along with the Missions Committee, will be seeking God's leading in the area of involvement in the "Mountain State 200 Project" (West Virginia), and a reevaluation of our work in the Maryland area.

We are thankful for the forthcoming video equipment that will be used by the Association to train our leaders. Be much in prayer for the Properties Committee and the Camp Development Committee as they seek to sell our present property and find a new location for the retreat and camping center.

The highlight of the past year was the cooperative spirit of our churches as they came together during the week of August 9-15 for the Wilkes Evangelism Crusade. To God be the glory, great things He hath done! This was Bold Missions in action. We must not stop now . . . there is 8.55 to reach by 85. Let us individually and cooperatively support our Director of Missions as he seeks to fulfill God's will and our mission in the Brushy Mountain Association.

Bill Pardue

STEWARDSHIP REPORT

Stewardship has received a new motivation since 1976-77 when the BOLD MISSION THRUST was introduced. Many churches and associations have committed themselves to making it a reality. Change of lifestyle to fit into an expanded program has gripped the lives of many individuals. The figures in COOPERATIVE PROGRAM increase tell the story.

What specific action are we taking as an association, and what are we willing to undertake?

During the past year total receipts of the 41 churches in Brushy Mountain Association were \$1,855,499. These churches gave \$126,395 to the Cooperative Program and \$37,651 to Associational Missions. The total mission giving was \$285,583.

We are in process of organizing associational functions to do a more effective job of associational ministries and missions. To meet these challenges each church must develop its own Christian Stewards. The Stewardship Commission of the Southern Baptist Convention provides leadership and practical aids for this development. The theme this year is "Witness to the World Through My Church."

We recommend that every church:

1. Give something through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of its total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of associational missions.

Do we have the will and commitment and persistence to follow through on what Southern Baptists have challenged us with? It's all in the Great Commission! This is the day for action.

James Craig

SUNDAY SCHOOL REPORT

The Associational Sunday School ASSIST Team participated in three training events: Key Leadership Conference at Ridgecrest, May 11-13; ASSIST Team training at Ridgecrest, May 1-2; and the "Basic" Books Clinic on January 15 in Hickory.

Three associational leadership training clinics for local church workers were held: October 13-14—"Teaching" Books; February 16-17—"Basic" Books; and March 3—A Growth Spiral Workshop.

Rev. Dwayne Kuykendall, Associational Sunday School Director, resigned on July 1, 1981 and Rev. Philip Stone became acting Sunday School Director.

To begin the new year a Teaching/Learning Clinic is planned for October 12-13 at Wilkesboro Church for all Sunday School Workers.

Respectfully submitted,
Philip W. Stone

MUSIC REPORT

The Associational Music Director planned the music for the annual associational meeting at Roaring River and Harmony Baptist Churches on October 6 and 7, 1980. On November 9th, 1980, 250 voices of the associational choir sang for the statewide Brotherhood Convention at First Baptist Church, Greensboro, N. C.

The music director participated in the Key Leadership Conference at Ridgecrest May 11-13, 1981.

An associational youth chorus of 35 voices was formed by the music director for a Youth Rally at Wilkesboro Baptist Church December 1, 1981.

A 60-voice choir was organized by the music director from participating churches for the Outdoor Easter Pageant at Mountlawn Memorial Park for April 18, 1981. This was the first time the pageant had been presented at night, previously having been a Sunrise Service.

The music director served on the Steering Committee and as Co-Chairman of the Music Committee for the Wilkes Evangelism Crusade held at Memorial Park August 9-15, 1981.

WOMAN'S MISSIONARY UNION

The Woman's Missionary Union for Brushy Mountain Association is a Union of Christian men, women, boys and girls dedicated to enhance the knowledge of Jesus Christ to nonbelievers as well as strengthen those already in His fold and also to engage in mission action in their community.

This year has been a great year for us. Although our activities were limited due to the number of available working staff members, the opportunities were there.

Your association sponsored a leadership conference in February aimed at better education for the directors of age-group levels in each church so that they could be better leaders. Also, your association sponsored an overnight GA camp at the KOA Campground. The girls had a great time.

The state office offered an opportunity for the associational directors of the WMU to learn more about how to use materials available as well as ideas on how to become a more effective leader. This was held in Asheville, NC and all of the directors attended.

I pray that next year will bring even greater and better opportunities for our association. We still need a director for Baptist Young Women and Acteens. I pray that out there somewhere, a woman will step forward and make herself available to work for the Lord. All we ask is that you make yourself available—we will help you do the rest.

BROTHERHOOD AND BAPTIST MEN'S REPORT

The year of 1981 has been a time of learning. From the high point of Key Leadership Conference at Ridgecrest to the four great week-ends at Camp CaRAway in learning situations with emphasis on mission involvement.

I am happy to report that the work of the Baptist Men and Brotherhood in our Association is very healthy and going forward each day with more men and boys seeking, learning, and participating in our missionary endeavors.

Some of our churches are sponsoring the annual State Missions Offering and others are sponsoring work shops or work at the church in helping the people of the church itself. Still others are being involved in trips to the

Brushy Mountains ministering to the migrant workers there. This is led by Ed Hendren of Bethany Baptist Church.

The Baptist Men's Convention was held in Greensboro with a large attendance from our association. Our associational choir also provided the music on the final night at Greensboro.

Dr. and Mrs. Steve Spann were sent on mission assignment to Antigua.

RA work is being expanded in at least two of our churches and is progressing very well at others.

I am also pleased to announce that I have accepted the nomination to act as chairman of Laymen's Overseas Missions Committee of the N. C. State Baptist Convention and will begin work on this assignment in December.

CHURCH TRAINING REPORT

"Equipping for Church Growth," is Church Training's theme for 1981-82. Church growth means different things to different people. To some it speaks to numerical increase; to others, new buildings, or ministry expansion, or stewardship gains.

Church Training bases its concept of church growth on Ephesians 4:12b ". . . to the building up of the body of Christ;" (NASB). This building up involves both numerical growth through reaching people for Christ and spiritual growth through equipping members for spiritual maturity and ministry.

We have just experienced a year of personal, spiritual growth. Let us join together in the challenge of "Equipping for Church Growth."

EVANGELISM REPORT

The Wilkes County Evangelism Crusade led by Dr. Mark Corts, Evangelist and Larry White Music Director, was held August 9-15, 1981. Outstanding preaching and singing were featured. All of the committees did a very commendable work.

The 1982 Joint Evangelistic Crusade is an opportunity for all Baptists to fulfill the great commission. Months of prayer and intense planning have already taken place in the evangelistic effort. A great response by pastors and church leaders will open the way for witnessing to the two and one-half million unsaved in North Carolina. Joint interpretation meetings have been held in the association and the state during the year.

"Here's Hope" is the theme for the entire crusade effort. The three primary objectives are:

- (1) to present the gospel of Christ to every person in North Carolina by 1982.
- (2) to demonstrate oneness in the body of Christ through joint evangelistic effort.

- (3) to recruit, train, and mobilize members of our churches in personal evangelism, follow-up, and discipleship.

1982 Simultaneous Revival Dates

March 14-28 Coastal

April 4-18 Piedmont

April 25-May 9 Mountain

Each church in the association is encouraged to plan at least a one-week revival meeting and to begin on the first Sunday of the suggested dates for the mountain area.

Brushy Mountain Association held a training clinic for pastors to prepare them to lead a Lay Evangelism School. Each pastor is encouraged to lead his church to have a Lay Evangelism School during the early months of 1982. The People Search is planned for March 1982.

The 34th Statewide Evangelism Conference was held at the Thomas Wolfe Auditorium in Asheville February 2-3, 1981. Over 3,000 pastors and lay persons attended this exciting emphasis on reaching the unbelievers in North Carolina for Jesus Christ. The 35th Evangelism Conference will be held in Greensboro, NC during Feb. 8-9, 1982.

VACATION BIBLE SCHOOL REPORT

In order to better equip the churches of our association for the task of Vacation Bible School a Preparation Clinic was held on Thursday evening, April 30, at Wilkesboro Baptist Church. There were sixty-five VBS workers present, representing eighteen different churches.

After a general meeting of all workers we moved to conferences designed for eight specific age groups, from preschool through adults.

Our 1982 Preparation Clinic will be held on April 22. The "Early Bird" Clinic for pastors and directors is scheduled for March 26.

Alan Richey

PROPERTIES COMMITTEE REPORT

The Properties Committee has from time to time examined the condition of properties owned by the Association and has acted to assure that buildings and equipment were properly maintained. 1981 was a year of significant expenditure for maintenance since both the office and the associational residence required painting. The interior walls and the exterior trim at the office and the exterior trim at the residence were painted at a cost of \$1200. Some of the office draperies were replaced by means of gifts. All associational properties are in good condition at present.

Committee Chairman,

Clyde Bumgarner

CAMP DEVELOPMENT COMMITTEE REPORT

Somehow everything we tried to accomplish at our proposed campsite ended with more problems. This finally caused us to be frustrated in our work efforts to the extent that we became convinced that God was taking a hand in pointing out to us that the campsite was not the one he wanted to have us develop.

We spent some time in prayer and again took to work only to meet again with a terrible ice storm that literally broke the trees down and brought work to an abrupt stop on the campsite. With the drying up of pulpwood markets we found that we could not clear the land. Surely God was speaking to us. We prayed much and often and finally have recommended that the present campsite be sold and that the proceeds be used to purchase a larger and more centrally located site near Purlear that will not be very expensive to develop. We have asked the properties committee to look into the matter of selling and buying lands for the renewed purpose of building our own camp and doing so in the year of 1982.

Respectfully submitted,
Max Freeman

CONSTITUTION COMMITTEE REPORT

A new concept of associational organization arising out of a clearer statement of associational purpose was presented first to the Associational Missions Committee, then to the Executive Committee. In response to the endorsement of that concept by both bodies, the Constitution Committee working closely with the Director of Missions has developed a complete revision of our Constitution and Bylaws which is designed to allow Brushy Mountain Baptist Association to be restructured in such a way as to achieve its purposes more effectively. The proposed constitution and bylaws has been submitted to the pastors to be studied and discussed with the messengers from each church three weeks prior to this annual meeting. The Constitution Committee recommends the adoption of the revised constitution and bylaws.

Committee Chairman,
Larry Michael

SCHOOL OF CHRISTIAN STUDIES REPORT

During the past year more than 10,000 persons enrolled in one or more Seminary Extension programs throughout the United States. This surpassed the enrollment of all six Southern Baptist seminaries. In North Carolina, the enrollment was 2,300. These people studied primarily in 75 centers throughout the state. Some of them enrolled in the Independent Study Institute. They enjoyed selecting courses in the Basic Curriculum Series and the College-Level Curriculum.

As a part of our state missions program, North Carolina Baptists help underwrite the cost of study with Seminary Extension through the Cooperative Program budget. This subsidy helps keep the cost per course within a range

every student can afford. It also helps to explain why our state has enjoyed the largest Seminary Extension program in the United States for the seventh consecutive year.

Last year General Baptists accounted for 1,026 registrations in Seminary Extension. Also, classes are held for prison inmates in Woman's Prison, Raleigh, Columbus County, Buncombe County, and Orange County. Plans are almost complete for a class in Central Prison, Raleigh. During the two years this program has existed inmates have registered in 50 courses through the Independent Study Institute. Students have enrolled in 12 prisons.

In our Association *Old Testament Survey I* was offered last fall with seven enrolled.

Our School of Christian Studies will offer **GREAT DOCTRINES OF THE BIBLE** this fall. This is a Basic Curriculum course requiring no exams and is offered to all age groups. Mrs. Sherry Stone will teach the Junior High through College group; Dr. Bill McKinney, all other lay-people; and Paul Shoupe, the ministers. The cost is \$10.00 and only the Study Guide will be used.

All three groups will meet at Oakwoods Church beginning Tuesday, October 6, and continuing nine consecutive Tuesday nights through December 1 at 7:00 P. M.

Respectfully submitted,
W. Paul Shoupe, Chairman

PLACE AND PREACHER COMMITTEE REPORT

The 111th annual session of the Brushy Mountain Baptist Association will be held on Monday, October 4, 1982 with First Baptist Church, North Wilkesboro and on Tuesday, October 5, 1982 with Little Rock Baptist Church.

The sermons will be brought by the Reverend Horace Moree and by the Reverend Fellman Cheek with the Reverend Hunter Church as alternate.

Ellihu E. Sloan

The 1982 Annual of the Brushy Mountain Baptist Association is dedicated to Mr. Ellihu E. Sloan, a gifted and beloved minister of music, an humble servant of Christ, and a loyal supporter of the Association.

Mr. Sloan was born on October 12, 1921 in Yadkin County. He is married to the former Mozelle Templeton and they have three sons, Dana, married to Lucinda Heck, Michael and Neal. There are two grandchildren, Ryan and Ashley.

He is a graduate of West Yadkin High School and received degrees in music at John Hopkins University and The Peabody Conservatory of Music, Baltimore, Maryland, and a Masters Degree from Appalachian State University.

First Baptist Church, North Wilkesboro, called Mr. Sloan as Minister of Music in 1965. For ten years (1966-76) he served faithfully as the Associational Music Director. He has helped magnify the place of music in the praise and worship of God and was always available to assist associational churches in their music ministries. We thank God for this talented and committed Christian musician and sincerely dedicate our Annual to him.

CONSTITUTION

PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Convention, according to the following articles:

ARTICLE I—NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

ARTICLE II—PURPOSE

It shall be the purpose of this association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This association shall be an auxiliary to the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention.

If favorable, it will be received into full membership with all the rights and privileges at the next annual session. DIRECTOR OF MISSIONS' REPORT

Thank you for the privilege of serving you as your Director of Missions. This has been my sixth year to serve in this capacity, and it has been in many ways one of the busiest and most rewarding of my entire ministry. Statistics cannot tell the story, so I will refrain from listing the many meetings, conferences, phone calls, preaching opportunities, and other opportunities you have given me. I want to express appreciation for the cooperation which has come from the moderator and vice-moderators, from the pastors, and from others in the association. We have had excellent financial support and a very serviceable team of workers this year.

The activities of the Association for which I am most grateful include: the privilege of teaching in our School of Christian Studies, the joy of working and praying toward the Here's Hope joint evangelistic services, the challenge and privilege of counseling many troubled individuals and couples, the privilege of working with a number of pastor-search committees, and the joy of being involved in our mission commitment in West Virginia. You have been gracious in invitations to speak and teach in our churches, and your generosity has enabled me to be a part of many activities at the community level. Much time has been given to Wilkes Cares, Hospice of Wilkes, Summer Program for Exceptional Children, and Wilkes Day Care Center. I appreciate the privilege you have given me to be a part of these ministries. You have also allowed me to serve as an officer of the N. C. Director of Missions Conference and to attend many planning and training events at the state level.

I anticipate that Brushy Mountain Baptist Association will have its best year yet during 1982-83. Much is planned, much prayer has gone into the realization of our goals, and I have much excitement about what may be accomplished for the glory of God. My key scripture verse for 1982-83 will be Phil. 2:13 "For God is working in you both to will and to perform his good pleasure." Let us all join hands and hearts and prayers for the days are at hand as foretold in Habakkuk 1:5 "For I am doing a work in your days that you would not believe if told."

Respectfully submitted,
Bill McKinney

MODERATOR'S REPORT

Our first quarterly meeting was held at First Church, North Wilkesboro, on January 4, 1982. This meeting launched our new concept adopted in October 1981. 219 were in attendance compared to 28-30 in our old method. Dr. Ray Roberts was our featured speaker.

Our second meeting was held at Edgewood Church on April 5, 1982, and Rev. Jack Rose brought our message of inspiration and challenge.

Our third meeting was held at the Wilkesboro Church on July 12, 1982. In this meeting, our West Virginia mission effort was begun.

Each meeting is planned to emphasize a different ministry within our association. Time is also allocated for any business that needs acting upon by our association.

Change seems to always bring some problems, but ours, due to many people who plan and carry out these programs, has been kept to a minimum. We will

continue to be in this transition period for a while. The co-operative spirit of our people will prevail in our association that we, yielding to the leadership of the Holy Spirit, will become what our Heavenly Father wants us to be.

Space does not permit including in this report all that transpired at each meeting. Details are kept, for your inspection, at the associational office.

As my tenure as Moderator comes to an end, I sincerely appreciate **everyone** and **everything** you have done to make my serving a blessing.

Respectfully submitted,
Rex Shumate

GENERAL BOARD REPORT

The General Board has had a productive year for North Carolina Baptists. Among the highlights one must include the bricklaying ceremony for the new Baptist Building, exemplary of the progress within the convention; receiving the report of the Biblical Recorder Search Committee's hiring as Editor, Gene Puckett; and the positive evaluation and continuous expectations of the results of the HERE'S HOPE REVIVAL emphasis.

The General Board met three scheduled times. The May meeting was held on Meredith College campus, and the two other meetings were held at Camp Caraway.

Respectfully submitted,
Al Andrews

MISSIONS COMMITTEE REPORT

To God be the Glory, Great Things He Hath Done!

Thanks be unto God for the vision He has given to the churches of the Brushy Mountain Baptist Association to go into West Virginia. The churches of our association, under the leadership of the Holy Spirit, have gone to Davisville, West Virginia; conducted Vacation Bible School, with an average attendance of 50 children; held evangelistic services, with seven people accepting Jesus Christ as Lord and Saviour; established a mission; and started a Sunday School with 28 people in attendance the first Sunday. This is MISSION IN ACTION!

You, the churches of the Brushy Mountain Baptist Association are responsible — you made this possible through your BOLD MISSION support.

Only a few could go — twelve in number — but the twelve that were blessed to be a part of this great work for our God represented every church and every member. Your Missions Committee is only an extension of your concern, support and vision for this effort of faith in Davisville. Just as surely as the Lord sent the twelve out, He sent the twelve to West Virginia. Never have we been privileged to work with a group with more dedication to accomplish the task before them as did the group of volunteers from our churches. Only time and eternity will reveal all the results of their labor of love. They truly were "church in action" — one mind, one purpose, one desire, one Lord, and that He might be lifted up.

Our desire and prayer is that you, the people of our Brushy Mountain Baptist Association, will continue to support this great work of our Lord in

Davisville, West Virginia. Through our faithfulness in this effort, we will become more aware of the needs of our own communities, county and association.

Thank you for caring and sharing.

SUNDAY SCHOOL REPORT

Brushy Mountain churches participated in an association-wide People Search March 21-25. Aldan Anglin of Asheville led a training session for People Search Directors on March 2. Hundreds of prospects were discovered. Churches have reported that a significant number of these have enrolled in Sunday School.

The Assist Team attended a training clinic on the new "How to Guide" books on February 11 in Salisbury in preparation for the associational "How to Guide" workshop on September 13-14. The Associational Assist Team Director attended the Key Leadership Conference at Ridgecrest. He led the Associational Sunday School Key Leadership Conference on July 12 at Wilkesboro Church.

The association has set a goal of increasing Sunday School enrollment by 30% by 1985. A Sunday School Enlargement Campaign is planned for October 23-26, 1983. Preparatory meetings have tentatively been scheduled for May 23, July 11, and October 10, 1983.

CHURCH TRAINING REPORT

The new Church Training year began with a Leadership Training Workshop conducted by the State Church Training Team. Those attending received helpful information in working with their particular area of Church Training.

Our Association "M" Night meeting was held November 23rd at New Hope Baptist Church with several churches represented.

Ruth Prince, from the State Church Training Office, visited our association in February to give assistance in organizing new CT programs.

Key Leadership Conference at Ridgecrest was an exciting experience. We have so many resources available through our State and Associational office to help equip us to be better servants of the Lord. Please take advantage of these opportunities and strive to build your Church Training Program.

WOMAN'S MISSIONARY UNION

Our association sponsored a leadership conference in October to better prepare directors of age-group levels in each church. On November 17, 1981, there was an associational-wide Foreign Mission Study on French Speaking

West Africa which included the Brotherhood. In December, our association sponsored an overnight GA prayer retreat at the Oakwoods Baptist Church.

"Missions Extravaganza" was an informative and inspiring occasion in our association on July 24, 1982, at the Wilkesboro Baptist Church. There were four mission exhibits and presentations from areas of our Foreign Mission Fields. These were led by career missionaries and laymen involved in the Volunteer Overseas Mission Program.

On August 21, 1982, the associational WMU Council attended a workshop in High Point for training to be better informed and effective directors. During the year the associational WMU Council had several planning meetings. This has been a year of transition with Mrs. Linda McCann, Associational WMU Director, resigning and moving to Charlotte.

As Associational WMU Director for 1982-83, I am looking forward with great anticipation to what God is going to do through Woman's Missionary Union of the Brushy Mountain Association. Our emphasis for this year is "Life-Changing Accountability." I am praying that every church in our association will realize anew that we are accountable to God for what we do in Missions. Remember, Jesus said that we were to go into all the world and tell of His love. Through Woman's Missionary Union and Brotherhood in your church, you can have a part in His great Commission by being informed, praying, witnessing, and giving your offering.

BROTHERHOOD AND BAPTIST MEN REPORT

This was my first year as the associational Brotherhood Director and it was a year of learning for me. It was also a year of disappointments as well, since I was unable to get to the Key Leadership Conference at Ridgecrest due to pressures of business at the time.

A great victory for the men was the missions to the prison ministry and to the Migrant Workers on the Brushies. These are two great steps forward for us. We again had to cancel the RA Campout due to numerous conflicts at the time school ended, and many were not able to make it at a later date.

We again sent our men overseas to both Barbados, where a home was built for the missionaries, and to nearby Martinique where a small church was built and consecrated in May of this year. At present we are having several of our men and women help in the building and outreach of the new churches in West Virginia.

Our number one goal is to find leaders to help us do a more effective work with our boys in 1983.

VACATION BIBLE SCHOOL REPORT

On Friday, March 26, twelve persons met at Wilkesboro Baptist Church for the 1982 "Early Bird" Clinic. On Thursday, May 13, there were 126 persons present at Welcome Home Baptist Church for the 1982 Preparation Clinic.

This was a dramatic increase over last year's attendance. Your commitment to the task of VBS was encouraging. The dates, times, and places of this year's clinics will be determined and announced through the associational newsletter at a later time.

EVANGELISM REPORT

1982 has been a good year for most churches in the Brushy Mountain Association. In follow-up of our Evangelism efforts to reach every person for Christ in North Carolina by the year 1985, a county-wide "Here's Hope" kick-off rally, preceding our simultaneous revivals, was held at the New Damascus Baptist Church in Wilkesboro, NC. Evangelist Mack Roberts of Fayetteville, NC brought a very challenging and inspirational message. A large number attended this meeting.

One of our quarterly meetings of the Brushy Mountain Association met at the Edgewood Baptist Church on April 5th. This meeting featured the Evangelism theme "Here's Hope." Rev. Jack Rose of the Oakwoods Baptist Church brought a very powerful message.

The 35th state-wide Evangelistic conference was held in Greensboro, NC, February 7-8, 1982. Many pastors and laypeople from our association attended.

Simultaneous revivals were held in most of our churches in April and May, with a good report of attendance, baptisms and rededications.

In the year 1983, I would like to encourage every pastor and church to increase their baptisms by 10%. May we never lose sight of the Great

Commission Jesus taught in Matthew 28:19-20. There is Hope in Jesus Christ. As a Christian body of believers, may we share this "Hope" in Wilkes County and around this world. This is our time, let's use it prayerfully and wisely.

Paul Shoupe for ministers. This was a Basic Curriculum Course. In the spring semester THE BOOK OF ACTS (NT 0174) was offered with a total of 12 enrolled. This was a College-Level Curriculum Course. The sessions and teachers were the same as above, one for laity and one for ministers.

This fall, course offerings are as follows:

ORDINATION COMMITTEE REPORT

Two churches requested assistance of the Associational Ordination Committee.

Deacons and pastor of Hinshaw Street Church met with the committee on April 16, 1982 to examine Jack Hartley. Mr. Hartley was called as pastor to the Trinity Baptist Mission, Burbank, Washington.

The deacons and pastor of Wilkesboro Church met with the Associational Ordination Committee on May 7, 1982, to examine Phil Billings. Mr. Billings was called as pastor to Siloam Baptist Church in Harrells, N.C.

The Associational Ordination Committee was in agreement with the respective churches and on both examinations recommended the ordination of the candidates.

PROPERTIES COMMITTEE REPORT

Pursuant to your instructions, the committee offered the camp property for sale. An offer of \$15,500 was accepted and the necessary legal transactions were completed.

The office building was repainted both inside and out during the year. All facilities were maintained in excellent condition. The Director of Missions' residence was painted outside. The back porch roof was replaced. Maintenance of the residence was adequate. Some items needed in maintaining the residence include replacement of exterior doors to stop excessive heat loss, repainting of some rooms inside and renovation of one bathroom. These maintenance needs are to be met during the coming year as budgeted funds allow.

Respectfully submitted,
Robert Wood, Chairman

CAMP DEVELOPMENT COMMITTEE REPORT

1982 was the year that we finally came to the conclusion of selling the camp property and selecting a new site more acceptable and in a location nearer the heart of the association. The property has been sold at a small profit and most of the money for it has been received.

At this time the committee is looking for and at property. The committee wants some input from individuals that are interested to help find lands that are suitable. It also is the opportunity of the committee to look at certain sites that may be donated to the association, especially any that could be left to the association and named after the donors.

Max Freeman, Chairman

PLACE AND PREACHER COMMITTEE REPORT

The 1983 Annual of Brushy Mountain Association is Dedicated to

WILLIAM KENT STURDIVANT, SR.

W. K. (Bill) Sturdivant, mortician, funeral director, and businessman moved to North Wilkesboro from his native Virginia in 1926 to assist in a local funeral home. In 1930 this business became Reins-Sturdivant Funeral Home. Since that time Mr. Sturdivant has been actively involved in establishing and developing extensive business enterprises.

Mr. Sturdivant and Madge Elizabeth Linney were married August 25, 1932. Madge has been a help-mate to Bill in every sense of the word. Through the years they have shared many of the same activities and interests. They have a son, William Kent, Jr. and a daughter, Nancy S. Martinez; four grandchildren and one great-grandchild.

Bill joined First Baptist Church, North Wilkesboro, in 1926 and remains an active member. He served this church as finance chairman for thirty years, as deacon for forty years and is now a deacon emeritus. He was for ten years Training Union director and served on the building committee for the present church complex.

Bill has been actively involved in the civic affairs of his community and state. He has supported and promoted every progressive movement that benefited the association, Wilkes County and the State of North Carolina.

Bill remains active in the association. He is serving his twenty-eighth year as trustee, has been on the properties committee and a representative to the N. C. Homes for the Aging. He was involved in acquiring the associational property, which includes a home for director of missions and the office building.

Bill Sturdivant, through the ministry of his profession, has for over fifty years touched the lives of the people in this and neighboring associations as few have.

In 1982 the mission church on Germantown Road was voted to become a Southern Baptist Church, Poplar Grove Baptist Church. The first pastor was C. J. Poole, the present pastor Rom Shumate.

On April 12, 1981 a Church Constitution and By-Laws was adopted.

In 1981 the church body voted to construct an educational building, fellowship hall, kitchen and rest rooms. This was completed in March 1982 and dedicated in 1983. In November of 1982 the educational building was equipped and furnished and in 1983 the parking lot was paved.

In 1983 youth and children of the church were winners in the State Bible Drill and Speakers Tournament. Homecoming Day this year observed dedication of the fellowship hall and educational building with the choir giving the cantata "Going Home".

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

ARTICLE II — PURPOSE

It shall be the purpose of this association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention.

12. Special music was presented by Mrs. Nancy Land, who sang "Only One Life to Live For Christ."

13. Rev. R. A. Call brought an inspirational message based on Matthew 16:13-19 and Matthew 2:19-20. He emphasized the need for all Christians to follow the Great Commission to "Go ye" and to meet together in prayer.

14. After the invocation by Rev. Hal Melton, the meeting was adjourned for the evening meal.

15. The meeting was reconvened at 7 p.m. with the singing of the congregational hymn "On Jordan's Stormy Banks" led by Rev. Hal Melton, accompanied by Dr. Bill McKinney at the piano.

16. Rev. Jack Calloway again welcomed the messengers and Rev. Jim Gore led devotions from Romans 12:1-2.

17. Moderator Wellborn introduced new pastors in the Association during the past year: Rev. James M. Gore and Mrs. Gore, Millers Creek Church; Rev. Paul Hugger and Mrs. Hugger, Pleasant Home Church; Rev. Dayton Roten, Second Baptist Church; Rev. Curtis White, Hinshaw Street Church; and Rev. Dennis Dillard, Rocky Creek Church.

Interim pastors now serving: Rev. Ralph Culler, Beaver Creek Church; Rev. Jerry Reavis, Davis Memorial Church; and Rev. Glenn Huffman, Pilgrim Church.

New staff members include: Rev. Hal Melton, Minister of Education and Youth at Wilkesboro Church; Rev. Lin Bratcher, Minister of Music at North Wilkesboro First Church; and Barry Shepherd, Director of Music at Welcome Home Church.

18. Rev. Coy Privette, Executive Director of the Christian Action League, discussed how the state's new Driving While Impaired laws came to be passed and encouraged participation in a possible beer/wine referendum in Wilkes County.

19. The Children's Home Report was spoken to by Dr. Michael Blackwell, president of Children's Homes.

20. The congregation joined in singing "Trust and Obey."

21. Constitution Committee Chairman Larry Farthing recommended changes to the Associational Constitutional and Bylaws as printed on pages 16, 17, and 18 in the Book of Reports (printed elsewhere in this book). Max Freeman made a motion to accept the changes as printed. The motion carried. Dr. McKinney reminded that changes in the constitution must be proposed on the first day of the meeting and voted upon on the second day. Bylaws may be voted on immediately. Therefore, the vote was declared void, although the motion still stands.

22. A motion was made by Rev. Bill Pardue that the moderator appoint a committee of five people, to be chaired by the moderator, to study the organizational structure of the Association and bring a report to the April Quarterly Meeting. The motion was seconded by Rev. Horace Moree and passed.

23. Rev. Lawrence Goodman made a motion to amend Bylaw IV, Section 5, paragraph 3 to "No candidate for ordination shall be considered by the committee who has not been a member of a cooperating church for at least one year. The committee shall consider only male members for ordination." Mr. Goodman stated that he made the motion in hopes of bringing about harmony and unity in the association; that it would take away the involvement, through the Ordination Committee, of those who are strongly opposed to the ordination of women. Seconded by Rev. Fellman Cheek, the motion carried.

24. The North Carolina Baptist Homes report was given by W. K. Sturdivant, Sr. and adopted as printed. Baptist Homes representative Jim Saul spoke to the report and announced a name change to "The Baptist Retirement Homes of North Carolina."

25. Special music was presented by a choir made up of members of churches in the Association directed by Craig Little, accompanied by Vernon Mitchell at

the piano and Lin Bratcher at the organ. They sang "Go In My Father's Name," "Finally Home," and "Ten Thousand Angels."

26. Rev. Jackie Hartley, pastor of Davisville Baptist Chapel (the mission in West Virginia which Brushy Mountain Association helps to sponsor) brought a report on activities there and plans for the future.

27. The moderator recognized the pastor and messengers from Poplar Grove Church and the right hand of full fellowship was extended to them by the messengers present.

28. The meeting was dismissed by prayer led by Poplar Grove Church Pastor Rom Shumate.

SECOND DAY

29. The second day of the 112th annual meeting was called to order by Moderator Sherrill Wellborn at 7 p.m. on October 4, 1983 at Millers Creek Baptist Church.

30. Pastor Jim Gore welcomed the messengers and Rev. Paul Hugger brought devotions from John 17:18ff.

31. Special music was presented by John and Norma Jean Burnette, who sang "I Worship God" and "Why Must I Die," accompanied by Craig Little at the piano.

32. Rev. Hunter Church brought an inspirational message from Acts 1:1ff, concerning the power of God and spiritual enthusiasm.

33. The congregational hymn "Victory in Jesus" was led by Craig Little, accompanied by Vernon Mitchell at the piano.

34. Business Session:

A. Rev. Phil Chapman called attention to the Place and Preacher Committee Report in the Book of Reports and moved its adoption. The motion carried.

B. The motion, made by Max Freeman during the first day session, to accept the changes in the constitution and bylaws recommendation by the Constitution Committee, was voted upon and passed.

C. Rev. William B. Rogers moved that Article IV, Section 5 of the bylaws be changed to read as in the present constitution and bylaws printed in the associational annual. The sentence "The committee shall consider only male members for ordination," inserted last evening, would be removed.

Mr. Rogers spoke to the motion, feeling that messengers needed more time to consider the matter. The moderator gave equal time to those having a different view.

Rev. Jim Gore made a motion that the vote be received by written ballot. The motion was seconded by Lawrence Goodman and passed. After adequate discussion, the vote was taken by written ballot.

Rev. Phil Chapman made a motion that the moderator appoint someone to count the ballots. Moderator Wellborn appointed members of the Enrollment Committee: Mrs. Gladys Walker, Mrs. Rebecca Gore, Mrs. Robbie McKinney, Mrs. Doris Moree, and Rev. Chapman.

While the ballots were being counted there was discussion as to whether a simple majority or a two-thirds majority was required for the bylaw change. Rev. Curtis White moved that the chair should make the decision. Seconded by Charles Edwards, the motion carried. The moderator ruled that Robert's Rules of Order said a two-thirds majority and that would be followed.

Results of the written vote showed 66 in favor of Mr. Rogers' motion and 104 against. The motion was defeated.

D. Moderator Wellborn asked for other business. There was none.

35. Director of Missions Bill McKinney called attention to his report in the Book of Reports and brought a challenging message based on Nehemiah 6: "Why Should I Leave the Work to Come Down and Talk." Dr. McKinney stated that "While we split theological hairs the world dies," and "Our year of disharmony has cost the Kingdom of God a tremendous price." He urged that conflict be put aside and all efforts put toward winning the world to Christ.

36. Resolutions Committee Chairman Rev. Curtis White brought four resolutions (printed elsewhere in this book), all of which were adopted.

Rev. Horace Moree made a motion that Resolution Number One, referring to alcoholic beverages in Wilkes County, be printed in the local newspaper paid for out of associational funds; and that a copy of Resolution Number Two, commending the sheriff's department of Wilkes County for their recent crackdown on the growth, sale, and consumption of illegal drugs, be sent to the sheriff's office. The motion carried.

37. Mr. Charles Proffit, chairman of the Memorials Committee, paid tribute to the 99 members of churches in the association which had died during the past year.

38. Moderator Wellborn expressed appreciation to Pastor Jim Gore and the members of Millers Creek Baptist Church, and Pastor Jack Calloway and the members of Moravian Falls Baptist Church for their hospitality in hosting the annual meeting this year.

39. Rev. Lawrence Goodman called attention to the change in constitution and bylaws that would render the association without officers between April and October of 1984. Rev. Al Andrews moved that the present officers serve until October, 1984. The motion carried.

40. A prayer of benediction was voiced by Rev. Dayton Roten and the meeting was adjourned.

RESOLUTIONS COMMITTEE REPORT

Resolution number 1

It is a statement of truth, Wilkes County is a good place both to live and work. The people are cordial and the industry is good. Because of our love for this county and its people we do want to make it known that we oppose the sale of beer and wine.

Whereas, there were 1,318 lives taken in traffic accidents in North Carolina last year with 818 of them involving a drinking or drunken driver. And

Whereas, there were 12 lives taken in traffic accidents in Wilkes County last year with 7 involving a drinking or drunken driver. And

Whereas, there were 791 persons injured in traffic accidents as the result of a drinking or drunken driver. And

Whereas, Highway studies show that the majority of highway fatalities are due to beer drinkers. And

Whereas, there are many homes torn apart each day and lives shattered because of the use of alcohol as a beverage. And

Whereas, on the basis of God's Word the sale and consumption of alcohol as a beverage is an immoral act. And

Whereas, the consumption and sale of alcohol as a beverage is a violation of our Church Covenant.

Be it therefore resolved that this 112th annual meeting of the Brushy Mountain Baptist Association, this the 4th day of October, 1983, go on record opposed to the sale of beer and wine in our county.

Be it further resolved that we urge all Christians in our county to make their stand with us on this issue.

Resolution number 2

From the knowledge that ours is a good county for farming and industry, Wilkes has been introduced to the growing of marijuana and sales of other illegal drugs.

Whereas, these drugs are a menace to our society for the harmful effects they give. And

Whereas, these illegal drugs deteriorate the health of those who use them both physically and mentally. And

Whereas, the use of these illegal drugs cause addiction for even stronger drugs and take many lives of our young people.

Be it therefore resolved that this 112th annual meeting of the Brushy Mountain Baptist Association, this the fourth day of October, 1983, commend the Sheriff's department of Wilkes County for their recent crackdown on the growth, sale and consumption of marijuana and other illegal drugs in our county.

Be it further resolved that we appreciate the intentions of our Sheriff's department to continue such actions as these crackdowns in the future.

Resolution number 3

It is great to meet together as a Baptist group. It is great to be a part of such a great cause of God's as the Southern Baptist Convention. So many works and ministries are given each day from this great body of believers.

Whereas, Our Lord has left us with a commission to win the world, starting at home. And

Whereas, it is our task to show a spirit of love and unity as a part of God's great family. And

Whereas, we give our tithes and offerings through our local church for the furtherance of His salvation. And

Whereas, our great Convention sponsors such works as missions, schools, homes, training and other vital ministries. And

Whereas, our Association is actively involved in meeting the needs of the people and churches in our area.

Be it therefore resolved that this 112th annual meeting of the Brushy Mountain Baptist Association, this the fourth day of October, 1983, commend each church for action and finances.

Be it further resolved that we encourage each church to be a support system for our Lord through the Association and Southern Baptist Convention by placing them in your annual budget.

Resolution number 4

Whereas, there have been one or more gatherings of the Ku Klux Klan followers in Wilkes County in recent weeks, and such meetings have served to promote racial prejudice and general unrest among the citizenry; and

Whereas, God created all persons in his own image with equal dignity, giving no superiority to any one race or group of people by nature or worth, but ordaining that they should dwell together as brothers and sisters, with justice, decency, and humility in all human relationships; and

Whereas, God offers all persons equally—all classes, races, and nations—the same Lord and Saviour and the same promise of redemption; and

Whereas, Jesus taught that no person can be right with God and wrong with his or her fellowman; and

Whereas, the goals and activity of the Ku Klux Klan are in opposition to the plan of God and detrimental to the mission of Christ to unite us as one people,

Therefore, be it resolved, that we, the messengers of the Brushy Mountain Baptist Association meeting October 3-4, 1983, strongly oppose any and all future activity of the Ku Klux Klan in Wilkes County, and reaffirm our determination to work together to help eliminate all vestiges of racial prejudice and to exemplify the spirit and mind of Christ in all human relationships.

Respectfully submitted,
Curtis White, Chairman

GENERAL BOARD REPORT

The General Board of the Baptist State Convention of North Carolina held its January meeting in the new Baptist Building in Cary, N.C. The meeting was held in conjunction with the dedication of the building.

The May meeting was hosted by Campbell University on the campus in Buies Creek, N.C.

The year produced a strengthening ministry with missions in West Virginia. The selection of Dr. Michael C. Blackwell as president of the Baptist Children's Homes was shared with the Board. The Board also shared in the "good-byes" to Dr. Tom Corts and the welcoming of Dr. Paul Corts as president of Wingate College.

Respectfully submitted,
Alfred E. Andrews, Jr.

DIRECTOR OF MISSIONS REPORT

In my report to you last year, I expressed the hope and anticipation that 1982-83 would be the best year yet in the life of Brushy Mountain Baptist Association. As the associational year draws to a close, I am able to rejoice in the fact that much of what we anticipated has become reality. I am grateful to all of you for the support you have given to the Associational program. Your financial support of the work has risen seven percent despite the economic distress, and you have provided another ten percent of increase earmarked for our West Virginia mission endeavor. God has made it possible for Jackie and Hazel Hartley to move to Davisville to develop the work there and in nearby Williamstown. Our commitment to undergird and support their ministry must not be diminished.

The largest burden of my work among you this year has been (1) concern and activity on behalf of our West Virginia mission project, (2) assistance to pastor search committees, (3) matters relating to fellowship, and (4) planning and promotion of church growth activities. I am especially thankful for the excellent group of associational leaders who have given so much of themselves to the life of Brushy Mountain Baptist Association this year. As we look toward 1983-84, we have splendid opportunities and strong challenges. May we respond in the spirit of Isaiah 54:23 "... Spare not, lengthen thy cords, and strengthen thy stakes; for thou shalt break forth on the right hand and on the left ..."

Respectfully submitted,
Bill McKinney

MODERATOR'S REPORT

Our January quarterly meeting was held at Hinshaw Street Baptist Church. The Pastor Brother Curtis White gave the devotion. Dr. McKinney gave a slide presentation and report on his trip to South Chile. In the campaign of which he was a part, more than 800 were saved and 17 were called to Christian vocations. An update on the West Virginia Mission Project was given by Missions Committee Chairman Bill Pardue. Three lay-persons gave personal testimonies, the theme was "Christ in my every day living."

Our April quarterly meeting was held at Calvary Baptist Church. Brother Jack Rose brought the devotions. Brother Don Abernethy brought a message concerning the need of a spiritual renewal in Wilkes County as well as the need which Wilkes CARES provides.

Our July quarterly meeting was held at Wilkesboro Church. The devotion was brought by Brother Dayton Roten. Messages were brought by Al Andrews and Sherrill Wellborn on the subject of prayer. Everyone gathered in the altar for the closing prayer.

As Moderator, my desire is to see all of us working together to have a great spiritual awakening in Wilkes County. I hope that every church and pastor will pray and work toward this. I don't believe any church or pastor should feel inferior to anyone else in our Association. We should all realize that God has placed us in a special place of service and we should give nothing less than our very best in the Lord's work, because God gave His best when He gave His only begotten Son to die at Calvary for us.

Respectfully submitted,
Sherrill D. Wellborn

ASSOCIATIONAL MISSIONS REPORT

West Virginia continued to dominate our efforts during the past twelve months. We are grateful to our Lord for all that has been accomplished.

Through the prayerful and diligent work of the Associational Missions Committee, chaired most of the year by Rev. Bill Pardue, a mission pastor is now on the field and at work in Davisville and Williamstown. Pastor Jackie Hartley arrived June 20 and was there when the team of workers from Mount Pleasant Church went for Vacation Bible School. During July trained and

experienced soul winners from Oakwoods Church spent several days doing door-to-door visitation.

Brushy Mountain Baptists have a tremendous investment of prayer, work, and funds in this mission project, believing that God is leading and moving in this great challenge. Let's uphold Pastor Hartley and his family in prayer as they seek to accomplish God's purpose there.

Jim Gore

SUNDAY SCHOOL REPORT

This has been a busy year in associational Sunday School work. The main emphasis has been preparing for a Sunday School Enrollment/Enlargement Campaign which will be conducted the week of October 22-30. There have been other activities as well.

On October 12-13, 1982 a Sunday School Teaching Clinic was offered. Nineteen churches participated in this training event, three of these being from outside our association. Eighty-eight teachers and officers from these churches were trained in this two-day event.

Our Sunday School Assist Team was called upon to conduct a curriculum workshop in one church.

On February 12th our association was host for an "Understanding" book conference which was held at First Baptist Church, North Wilkesboro, for Sunday School leaders from across this region of the state.

The Sunday School Enrollment/Enlargement Campaign was introduced at a banquet held on April 25th. One hundred sixteen (116) persons representing thirty-three (33) of our churches were present. On May 23rd the first of a series of preparation meetings was held. Following these meetings twelve (12) churches had committed themselves to participate in the campaign. Pastor Lawrence Goodman has enlisted eight (8) pastors to work with him in promoting Sunday School growth through his campaign.

We anticipate an excellent year for 1983-84 as we commit ourselves to growth in Bible Study participation.

Respectfully submitted,
G. Alan Richey

VACATION BIBLE SCHOOL

There were two preparation clinics held this year. The "Early Bird Clinic" for pastors and VBS directors was held on March 14 at Millers Creek Church. Twenty-four persons, representing eighteen churches, attended.

On May 5 the clinic for all Vacation Bible School workers was held at Hinshaw Street Church. Attendance was good, as 123 leaders gathered. The total attendance at this year's clinics was 147.

At this writing, reports have been received from 25 churches indicating a total enrollment of 2,328 with an average attendance of 2,012 and 57 professions of faith.

Respectfully submitted,
G. Alan Richey

CHURCH TRAINING REPORT

The highlight of our Church Training year was the involvement of some of our children and youth in Bible skills and speaker competition. Moravian Falls Baptist Church led the way in these activities. As a result, seven of their young people emerged as winners. At the Associational tournament they had three children qualify for state-level Bible Drill competition; all of whom were successful at the regional level. Three youth also qualified for state-level Bible Drill competition; all were successful at the regional and state tournament level. One of their young men qualified for Youth Speakers' Tournament competition and emerged as the eventual winner of the state-level competition. We congratulate the Moravian Falls Baptist Church for its Church Training activity, its leaders in Bible Skills preparation, and the fine young persons who so ably represented our Association. We hope that other Church Training units will be inspired by their example.

Leadership Training is one of the great needs of our churches and Discipleship Training is also much needed. Many opportunities are calendared for preparing leadership during the 1983-84 associational year. We urge all churches to renew their efforts in these areas of Christian life development.

Respectfully submitted,
J. Lee Church

BROTHERHOOD REPORT

During the past year we have seen some increase in interest among the men and boys of our churches. Brotherhood involvement in missions and ministries at the state convention level has been significant with a slight increase in enrollment.

Several activities are planned for the 1983-84 associational year. Prayer breakfasts are being planned for December 3 and March 4. These are planned in conjunction with the associational WMU leaders. All pastors are urged to be present. These meetings will be designed to serve as kick-off activities for the Lottie Moon and Annie Armstrong Offerings for Foreign Missions and Home Missions, respectively.

We have scheduled a Man-Boy day on May 12, 1984. This will be an all-day Saturday meeting with an outstanding sports figure as speaker and a barbeque chicken supper. We have also scheduled an RA Track Meet on May 28 at Wilkes Central High School. We urge all churches to enter teams in this event. We offer our help in organizing Brotherhood and RA groups in your church.

WOMAN'S MISSIONARY UNION REPORT

The WMU Leadership Conference was sponsored by our association in September to better prepare directors and leaders of age-group levels in each church. On November 18, 1982 at the Cub Creek Baptist Church there was an Associational-wide Foreign Mission Study on Urban Evangelism in Asia, which included Brotherhood and R.A.'s. Acteen leaders of our association met in January for fellowship and planning Acteen activities. On February 25-26 the Acteens of our association had an overnight Retreat at the Mount Pleasant Baptist Church.

The WMU organization of our association sponsored a pastor/wife appreciation dinner on March 26 at the Wilkesboro Baptist Church. During the time of fellowship we enjoyed several skits written by Mrs. Lillian Foster. Also, we heard inspiring testimonies from three pastor's wives who shared what WMU had meant to them through the years of service in the mission program of our church.

The WMU Annual Meeting was held at the Wilkesboro Baptist Church on May 9, with Life-Changing Accountability as the theme. This was an inspiring occasion with Mrs. Barbara Joiner of Columbiana, Alabama as guest speaker. The Acteens of Mount Pleasant Baptist church gave a skit emphasizing the theme.

On May 27-30, the G.A.'s of our association had an overnight camp at the Oakwoods Baptist Church. Dr. Bill McKinney discussed with them the work and ministry of the Brushy Mountain Association.

The Associational WMU Council attended Leadership Training Conferences in Elkin and High Point on May 17 and July 23. The Council had quarterly planning meetings during the year. I greatly appreciate the opportunity of attending Key Leadership Conference at Ridgecrest in May, which was most informative and inspiring.

This has been my first year as the Associational WMU Director and it has been a learning experience. I greatly appreciate the privilege of having served with Lillian Foster, Baptist Women's Director; Linda Phillips, Acteens Director; Beth Huie, Girls in Action Director; and Katie Morris, Mission Friends Director. I am looking forward to what God is going to do through Woman's Missionary Union of the Brushy Mountain Association. However, He will not do it alone. What can we do? Where shall we begin? On our knees! We must persevere in prayer — "be persistent in prayer." As we draw closer to the Lord through prayer we will gain the strength, wisdom and ability needed for ministry in our complex world.

Respectfully submitted,
Dorothy Rose

EVANGELISM REPORT

The 1983 Brushy Mountain Evangelism Conference was held April 4-9, using the theme, "Churches Growing Through Evangelism." The host churches for these nightly services were as follows: Harmony, Cub Creek, Calvary, New Hope, Pleasant Grove, and Walnut Grove Baptist Churches. Guest speakers were Rev. Phil Chapman, Rev. Monroe Huffman, Rev. James Craig, Rev. Horace Moree, Rev. Fellman Cheek, and Rev. Hunter Church. Over 650 people attended these very inspiring and spiritual services.

The 1983 State Evangelism Conference was February 7-8 in Ovens Auditorium in Charlotte, N.C. Many pastors and lay people from the Brushy Mountain Association attended.

Evangelism is the heartbeat of any church. As Christians we are committed to soul-winning. Join me as we pray — care — and share Jesus Christ with a lost and dying world.

Respectfully submitted,
Dean Dillard
Chairman of Evangelism

ORDINATION COMMITTEE REPORT

In response to a request by Oakwoods Baptist Church, the Brushy Mountain Association's Ordination Committee assisted in forming an ordination council on July 7, 1983 to examine candidates Jay T. Jones and Robert W. Duncan as to their fitness for ordination to the Gospel Ministry. The ordination council was made up of five (5) ministers and five (5) deacons.

Upon the examination the ordination council recommended to the Oakwoods Baptist Church that they proceed with the process of ordination of the two men.

Respectfully submitted,
Alfred E. Andrews, Jr.

PROPERTIES COMMITTEE REPORT

The physical properties of Brushy Mountain Association have been examined and found to be in good repair but in need of some items. During the associational year the committee contracted for interior painting and wall-

papering to preserve the appearance and value of the associational missionary residence. Not all of the work was completed and the planned renovation is continuing. Central air-conditioning was added at the parsonage in August.

The office building is in good condition but is without a cooling system at this time. A study is underway as to the best course in replacing the large window unit or adding cooling to the heating system.

All of the property of the association was appraised for insurance purposes and the coverage was increased to a replacement cost of \$87,000 as recommended by the appraiser.

PLACE AND PREACHER COMMITTEE REPORT

The 113th annual session of the Brushy Mountain Baptist Association will be held on Monday, October 1, 1984 with Lewis Fork Baptist Church (afternoon and evening service), and on Tuesday, October 2, 1984 with Pleasant Grove Baptist Church (evening service).

The sermons will be brought by the Reverend Jack Rose and by the Reverend Monroe Huffman, with the Reverend Dean Dillard as alternate.

Respectfully submitted,
Phil Chapman, Chairman

The 1984 Annual of the Brushy Mountain Baptist Association Is Dedicated To

MADGE LINNEY STURDIVANT

Madge Linney Sturdivant was born and reared in the home of devout Christian parents. Her father was the Reverend William Ernest Linney, an outstanding pastor of churches in Wilkes and surrounding counties. Her mother was the daughter of a Baptist minister, the Reverend D. W. Poole.

Madge moved to Wilkesboro at four years of age when her father became pastor of Wilkesboro Baptist Church. She grew to adulthood in this church.

Madge graduated from Wilkesboro High School, Ives Business School of Wilkesboro, and Mars Hill College. During high school and college she excelled in debate, public speech and voice. She has for almost fifty years been a member of the Chancel Choir of First Baptist Church, North Wilkesboro.

Soon after her marriage to W. K. Sturdivant, Sr. she joined First Baptist Church, North Wilkesboro where her husband was already a member. Her interest in, dedication to, and support of her church and association are well known. She has served as Sunday School teacher, W.M.U. officer, a member of local and convention search committees, and was for many years Director of the Youth Sunday School Department of her church. She has been a messenger to the association for sixty years. Presently, she is association historian, an office she has held for several years, and is serving a fourth term on the Board of Trustees of Mars Hill College. She has served as a member of the General Board of the Baptist State Convention.

In 1970 Madge was named Alumna of the Year by Mars Hill College. The words of this citation speak to every area of her life: "A talented, dedicated, loyal, generous individual whose personal and public life has reflected great credit to Mars Hill." Mrs. Sturdivant's well-disciplined mind, deep conviction, and courageous Christian faith give her power and authority when decisions need to be made in church, home or association.

The history of Lewis Fork Baptist Church is recorded in the 1952 Associational Annual and the 1974 Associational Annual brings her history forward to that date. This report is concerned only with the period from 1974 to the present.

The church building has been completely air conditioned; a speaker and recording system has been installed. The Sunday School rooms have been redecorated; the parking lot has been enlarged; a parsonage has been purchased; and additional land has been purchased. A new organ and piano have been added to the sanctuary. A new piano was purchased for the choir room and a baptistry was installed. In 1976 the church acquired a Minister of Music and the current Minister of Music is Kent Burchette.

The average attendance rose from 128 in 1970 to 284 in 1984. The number of baptisms rose from 10 in 1970 to 31 in 1984. The membership of 210 in 1878 rose to 794 in 1984. Average Bible School attendance in 1984 was 303.

Lewis Fork has a fully graded Sunday School with Rev. Ray Loyola as Minister of Education. A Youth Ministry has been started with Jeff Campbell as Youth Director and a Youth Council made up of parents. The Senior Citizens organization meets each week for Bible Study, lunch, and other activities. The church sponsors Boy Scout and Girl Scout troops.

In the past 40 years only three pastors have served: Rev. A. W. Eller for 20 years, Rev. Glenn Huffman for 6 years, and Rev. Sherrill Wellborn, present pastor, since April, 1971. The deacons are: Vernon Dyer, chairman, Harold Blackburn, Clyde Blevins, Cecil Church, Pete Craven, Milton Goforth, Raynard Goforth, Demus Goulds, Frank Eller, Wayne Eller, Vernon Foster, Albert Holman, John Idol, Avery Triplett, and James Triplett.

Lewis Fork has ordained two young men into the ministry: Rex Foster in 1974 and Hadley Triplett in 1984. The church was voted Rural Church of the Year in North Carolina in 1979 by the state Grange organization.

Mrs. W. K. Sturdivant

CONSTITUTION

PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

ARTICLE I — NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

ARTICLE II — PURPOSE

It shall be the purpose of this association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention.

ARTICLE III — MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk at any annual session of the body. The Moderator shall refer the church to the Committee on Membership for study and investigation. The church maintains for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Coordinating Council of the Association, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association.

ARTICLE IV — MEETINGS

SECTION 1. The Association shall meet quarterly on the Monday after the first Sunday in January, April, and July. In October the Association shall meet on Monday and Tuesday after the first Sunday.

SECTION 2. The Moderator shall call a meeting of the pastor and one representative from each church approximately thirty days prior to any quarterly Associational meeting at which business is to be considered for the purpose of publicizing and discussing such matters as may be presented for vote at the Associational meeting. Special meetings may be called by the Moderator provided two weeks notice is given to the member churches.

SECTION 3. In case of emergency, the Coordinating Council shall have the authority to change the time and/or place of meetings, and shall be responsible for providing churches with sufficient notice of change.

SECTION 4. Each church is entitled to be represented by its pastor, other ordained ministers holding membership in the church, and such additional messengers as will permit a total of 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least 5 of the messengers be leaders of individual church organizations.

ARTICLE V — AUTHORITY

While independent and sovereign in its own sphere, the Association does not claim, and will never attempt to exercise any authority over any other Baptist body, whether church or auxiliary organization.

ARTICLE VI — OFFICERS AND THEIR ELECTION

SECTION 1. The officers of the Association shall be: Moderator (who shall also serve as Chairman of Group I — Associational Administration); Vice-Moderator (who shall also serve as Chairman of Group II — Fellowship and Mutual Care); Group Chairman III (Evangelism and Outreach); Group

Namely, that the pastors agree to come together as often as weekly to pray for unity in and among the churches with a view toward showing the lost in our county the spirit and love of our Lord Jesus, that our churches agree to pray for a spiritual awakening all across our land, especially in Wilkes County; that we, as an association of churches, agree to participate in the convention-wide 1986 "GOOD NEWS AMERICA — GOD LOVES YOU" Simultaneous Revival effort; that on March 23-30, 1986, we, as an association of churches, will conduct simultaneous meetings; and in preparation for these meetings give priority to the October 20-26, 1985, Evangelistic People Search and Scripture Distribution campaign.

GENERAL BOARD REPORT

The General Board of the Baptist State Convention of North Carolina held its January Meeting at Caraway. Dr. James I. Murphy was elected president of the General Board. The North Carolina partnership with Togo in the World Hunger Fund emphasis was well received and approved.

The May meeting, held on Wingate College campus, was highlighted by the report of the generous response of North Carolina Baptists to the tornado victims. People were helped in 8 associations, ministering to 177 families through gifts totaling \$443,960.00.

In July the Search Committee announced their recommendation of Dr. Roy J. Smith to be the General Secretary-Treasurer of the Baptist Convention of North Carolina.

Respectfully submitted,
Al Andrews

DIRECTOR OF MISSIONS REPORT

This is my ninth annual meeting with you and brings to a close eight years of ministry among Brushy Mountain Baptist Association churches. Thank you for allowing me the freedom to go in and out among you and try to minister to some of your needs.

During this associational year you have enabled me to assist one church as interim pastor for an extended period. I have been privileged to assist six pastor search committees, to participate in a Sunday School Enlargement Campaign, to teach two deacon schools, conduct a revival, to speak on behalf of missions in ten churches, to engage in numerous planning and preparation meetings, to teach study courses, to assist pastors and church committees with problems, and to counsel with several individuals who were in crisis.

We have seen some exciting things happen this year. The growth in Bible Skills Drill activities and Youth Speakers' Tournament has been a blessing. We have seen a renewed interest in evangelism and in Sunday School work. An excellent group of Associational officers and leaders has been at work and deserves credit for a job well done. Our one major regret has been the failure of our West Virginia mission work to develop as we felt that it should. While Mount Carmel and Cricket Baptist Churches have formally withdrawn from our fellowship, work in the other churches has been strengthened and we are adding Parkway Garden Baptist Church to our fellowship.

Associational ministries added during the year include Bible Study at Wilkes Towers each Sunday morning and an evening worship there. These ministries are presently staffed by Michael Harler and Edwin Taylor of Cub Creek

Baptist Church. We have also added a worship service at Mount Pleasant Rest Home which is presently being handled by the Mount Pleasant Baptist Church. A prison unit Bible Study has been instituted at the North Wilkesboro prison facility staffed by members of Welcome Home Baptist Church.

I anticipate that 1984-85 will be the best year yet in the life of Brushy Mountain Baptist Association.

Respectfully submitted,
Bill McKinney

MODERATOR'S REPORT

Our January Quarterly Meeting was held at Fishing Creek Baptist Church. The Pastor, Brother Dean Dillard, extended welcome to the ninety-five messengers and visitors present. Mrs. Dorothy Rose, WMU Director, read from Isaiah 6:1-8 and Richard Cardwell, Brotherhood Director, led in prayer. Vice-Moderator Al Andrews presided. The treasurer's report was given. Two new pastors were introduced: Brother Bob Seatz of Beaver Creek Church and Brother James Rhoades of Pilgrim Church. Director of Missions, Brother Bill McKinney, called the Association to prayer for the churches who were without a pastor. Rev. Hunter Church introduced Rev. Victor Watts, Missionary to Bophuthatswana, Africa. Rev. Watts brought the message.

Our April Meeting was held at Gordon Baptist Church. Welcome and devotions were given by Pastor James Weaver. The treasurer's report was given by Norma Jean Wood. No business was presented. Mission projects were discussed, such as relief for the tornado victims in North and South Carolina. Several truckloads of food and clothing had been sent from this area. West Virginia Mission was discussed. Wilkes Towers was discussed concerning someone to conduct services there. Mt. Pleasant Church would assume responsibility for services at Mt. Pleasant Rest Home. More churches were needed for services at Foster-Richardson Rest Home. After a closing prayer around the altar the meeting was adjourned.

Our July Meeting was at Wilkesboro Baptist Church. The devotion was led by Rev. L. J. Culler. Rev. Charles Edward announced his revival at Welcome Home would be July 8-11. Rev. Phil Chapman announced a meeting concerning the Beer and Wine Referendum to be held at Pleasant Grove on July 29. Lawrence Goodman presented a motion that the Association grant the Parkway Garden Baptist Church an amount up to \$5,000.00 to purchase the Kingdom Hall on Armory Road to start a Baptist work in that area. The motion carried. Church leaders then dispersed to small groups for the annual Key Leader Training Conference. After the conference messengers reassembled in a circle around the sanctuary for a song and prayer for unity.

ASSOCIATIONAL MISSIONS REPORT

The past twelve months has been a time of decision and change regarding our associational work in the Davisville, West Virginia area. Jack and Hazel

Hartley served faithfully as mission pastor but concluded that God's will for their life was not in that particular area of work. Their resignation was submitted, effective July 1, 1984.

At the present time the work in West Virginia is being evaluated by those in the Davisville area and by the Missions Committee. We hope to be in a position to make a more complete report in the near future.

During the spring months the Association had an opportunity to begin a weekly ministry at Wilkes Towers. Michael Harler, a Fruitland student, and Edwin Taylor is heading up this area of work which is being supported by the Association. These men are members at Cub Creek Church. We are also involved in weekly services at the Foster-Richardson Rest Home which was begun some months ago.

During the quarterly meeting in July the Association voted to provide funds enabling Parkway Garden Baptist Church to secure a building on Armory Road. This investment in our Lord's work was in the sum of \$4,500. Parkway Garden voted to seek membership in the Association.

The Associational Missions Committee has had an active year and we anticipate more opportunities ahead during 1984-1985. Remember to pray that mission opportunities will open for the Association and that we will have the spiritual discernment to recognize and accept the challenge.

Respectfully submitted,
Jim Gore

SUNDAY SCHOOL REPORT

Sunday School enrollment and attendance in our Association has been in a holding position for several years. At the same time the population of Wilkes County has grown rapidly. Now, we have at least 25,000 individuals in Wilkes County not involved in Bible Study. Thus, it is my prayer that we might become aggressive in Sunday School programs throughout the Association.

Eight churches this year participated in the Sunday School Enlargement/Improvement Campaign. Some of these churches have experienced more growth than others, but all eight churches have benefited from the campaign. I am grateful for these pastors and Sunday School directors who led their churches to participate. It will take more of this kind of effort to turn our Sunday School programs around.

Our theme for the coming year is "Reach 5 in '85." What does "Reach 5 in '85" mean? It can mean several things. First and foremost, it is a personal challenge to each member and leader of the Sunday School to enroll five new Sunday School members during the year 1984-85. I encourage each Sunday School, department, and class to set goals for the coming year in terms of reaching five new members or more. Also, I encourage each pastor to set a personal goal to enroll five new people in Sunday School in 1984-85.

If I or the ASSIST Team can be of help to you in your Sunday School, please contact me or the Associational Office.

Respectfully submitted,
Lawrence Goodman

VACATION BIBLE SCHOOL REPORT

Reporting of Vacation Bible School activity continues to present a problem. Up to the date of this report we had twenty-six of forty churches reporting — sixty-five percent. It appears from the reports received that enrollment was down some seven percent from last year's figures. Perhaps the statistics will look better when all reports are obtained.

Two churches reported significant increases in VBS enrollment and are to be strongly commended for their efforts: Gordon Baptist Church had a twenty-one percent increase over last year, and Moravian Falls Baptist Church has a whopping fifty-four percent increase this year. We strongly commend these two churches for their VBS outreach. Ten churches reported a total of sixty-eight professions of faith. Lewis Fork led in evangelism with twenty-four professions, Millers Creek was second with seventeen, and Fishing Creek was third with nine professions of faith. We urge all churches to continue their efforts in VBS and to give special attention to evangelism and to reporting of results.

CHURCH TRAINING REPORT

Due to the enthusiasm and dedicated work of Gail Calloway, 1984 was an excellent year in the area of Bible Skills competition. Several of our children and youth were successful in regional and state tournaments. We are working to involve more churches in this activity.

The program emphasis for 1984-85 is "Developing Believers." Church Training continues to stress Baptist doctrine, new church member training, leadership training, church history, and Christian ethics. The Dynamic Doctrines curriculum will deal with the doctrines of Christ, the Holy Spirit, the church, and the last things. Other emphases are Christian witness training, the Christian home, and evangelism.

Many new resources in the form of Equipping Centers are now available in all of the areas of emphasis mentioned above. Survival Kit II is now available for further Christian life development. We encourage all of our churches to engage in **some** form of training during the coming year.

BROTHERHOOD REPORT

Baptist men continue to be deeply involved in North Carolina and global ministries. This year more than 1,500 lay persons did missions in West Virginia. Others were involved in New York, Ohio, and other strategic locations, and more than 100 lay persons went on mission service to other countries. More than 2,000 men were involved in 50 lay-led revivals and 25 lay renewal weekends. Ministries were continued in prison units and in combatting pornography, alcohol, and drug use. The Disaster Relief van was completed and placed in service . . . its first use was in the tornado-ravaged area of Eastern North Carolina. Baptist Men's organizations worked with over 31,000 boys in RA programs. Medical missions teams went out to Antigua, Nigeria, and Brazil, and individual physicians, surgeons, and dentists served in other parts of the world.

Projects for 1985 include continued work in West Virginia; establishing Prayer Ministry units in churches across the state; overseas mission teams for

medical ministries, construction, and evangelism; continuing activity in moral issues; lay evangelism and lay renewal projects, agricultural mission involvement in Togo; and strengthened work with RA boys. Mission education and mission involvement are top priority concerns of North Carolina Baptist Brotherhood.

WOMAN'S MISSIONARY UNION REPORT

The WMU Leadership Conference was sponsored by our association in September to better prepare directors and leaders of age-group levels in each church. On November 17, 1983 at the Moravian Falls Baptist Church there was an associational Foreign Mission Study, which included Brotherhood and R.A.'s. Many of our churches observed the Week of Prayer for Foreign Missions and gave to the Lottie Moon Christmas Offering during the month of December.

The Acteen leaders of our association met in January for fellowship and planning Acteen activities. Miss Martha Franks, former missionary to China, led Baptist Women in an inspiring Prayer Retreat on January 19 at the Oakwoods Baptist Church. On February 24-25 the Acteens of our association had an overnight retreat with Rev. and Mrs. Hubert K. Middleton as guest missionaries. In March the Week of Prayer for Home Missions and Annie Armstrong Easter Offering were observed by many of our churches.

For the first time a Mission Action/Personal Witnessing workshop was held at the Hinshaw Street Baptist Church for Baptist Women and Young Women.

The WMU Annual meeting was held at the Wilkesboro Baptist Church on May 8 with "Partnership in Prayer and Ministry" as the theme. This was an inspiring occasion with Mrs. Bea McRae, president of Woman's Missionary Union of North Carolina as guest speaker. Ladies of the Wilkesboro Baptist Church gave a skit emphasizing the theme. The Associational WMU Council attended the leadership training conferences at Caraway Conference Center on August 3-4. The council had quarterly planning meetings during the year.

It has been a privilege and joy to serve on the WMU Associational Council with Betty Pardue, Baptist Women's Director, and Linda Phillips, Acteens Director.

Respectfully submitted,
Mrs. Dorothy Rose

EVANGELISM REPORT

From the word "Go . . ." (Matthew 28:19, 20) evangelism has been vital to those among God's people who want to be found faithful! One of the several reasons we have for working together as an association of churches is our mutual concern for reaching the multitudes of lost in our community.

How do we intend to make disciples throughout Wilkes County? One great missionary said, "I am made all things to all men, that I might **by all means** save some." There is no bad way to lead a soul to Jesus — but some ways are more effective than others.

March 23-30, 1986 is a red letter date that marks the climax of a simultaneous effort to bring genuine revival to our county, our state, our nation. The theme is GOOD NEWS AMERICA, GOD LOVES YOU. Part of this effort to reach multitudes with the gospel will be a massive people search and scripture distribution campaign. Most vital, however, to the success of the effort is a spiritual preparation period in which God's people commit themselves to consistent, united, and extraordinary prayer! Jesus prayed (John 17:21) that we would be united so the world would believe that God indeed sent Him!

Reaching lost people with the gospel will also mean training disciples or soul winners. In 1983 in our association it took an average of more than 50 church members to lead one person to faith in Christ. Could it be that we do not know how to lead souls to Christ? Perhaps the best opportunity for church leaders to receive training is to be conducted next April 15-18, 1985 at Boone — the event: Continuing Witness Training Seminar, known commonly as CWT, is a process designed to help church leaders train persons as effective soul winners.

Other effective witness training tools are Lay Evangelism School (LES), Training Evangelistic Lay Leadership (TELL) and the Church Training Equipping Center Modules, "How To Witness" and "Preparing Your Church For Revival." **MasterLife** is also an effective tool that will help your church lay a solid foundation for spiritual revival!

Paul Hugger

SCHOOL OF CHRISTIAN STUDIES REPORT

Please consult the Associational Annuals for 1981 and 1982 concerning information of introduction pertaining to Seminary Extension Programs throughout the United States and North Carolina. Enrollment continues to increase, studying in more than 80 centers.

In our Association last fall we offered only one course of study — NT 0173 JOHN. This is a study of John's Gospel, "A Gospel of Witness." Ten persons enrolled in the course but only five completed it. This is a college level course. It started 9/20/83 and continued through 11/29/83. The course was taught by W. Paul Shoupe.

In the spring we offered one course of study — NT 0175 ROMANS — A study of the book of Romans. Fifteen persons enrolled and completed this college level course of study. The course started 2/14/84 and continued through 4/19/84 and was taught by W. Paul Shoupe.

This fall, we are offering one course — REVELATION — NT 0190, a study of the book of Revelation; the Text: *The Broadman Bible Commentary*, Volume 12. This course of study will begin Tuesday, October 9th and continue through December 11th. The time is 7:00-9:00 P.M. The teacher is W. Paul Shoupe. The place is Liberty Grove Baptist Church. The cost is \$30.50 which includes textbook and tuition. This is a college level course.

Next spring we will also offer one course — CH 0210 LIFE AND FAITH OF BAPTISTS. Section I deals with Baptist history from the 17th century in Europe, featuring the history of Southern Baptists since 1845. Section II concentrates on a survey of important Baptist doctrines. The Texts: *Our Baptist Story*, Duncan; *What Baptists Stand For*, Cook. This course of study will begin January 22nd (Tuesday) and continue through March 26th. The time is 7:00-9:00 P.M. The teacher is Dr. Bill McKinney. The place is our Association Office. The cost is \$21.00 which includes textbooks and tuition. This is also a college level course.

W. Paul Shoupe

ORDINATION COMMITTEE REPORT

In response to a request from Lewis Fork Baptist Church, the Brushy Mountain Association's Ordination Committee assisted in forming an ordination council on April 8, 1984, to examine Hadley Triplett for ordination to the Gospel ministry.

The ordination council was composed of R. A. Call, Sherrill Wellborn, James Craig, Jack Calloway, Al Andrews, and the deacons of the Lewis Fork Baptist Church.

Upon the examination the ordination council recommended to the Lewis Fork Baptist Church that they proceed with the process of ordination.

PROPERTIES COMMITTEE REPORT

At the last annual meeting work was underway at the associational parsonage. Central air conditioning had been installed and contracts had been entered into for interior painting and wall covering. These projects were completed early in the associational year. Later in the year it became necessary to replace the water line and during the summer the furnace had to have extensive repair due to a defective fire box.

The office heating/cooling system was replaced with a heat pump during early summer. The building's electrical service had to be changed to meet existing building codes. This was done at a cost of \$2,473.00.

All associational property is now in excellent condition. The buildings are well maintained and attractive in appearance. They are insured at appraised value.

Respectfully submitted,
Clyde Bumgarner

Is Dedicated To*

Reverend Dean A. Dillard

Reverend Dean A. Dillard was born in Wilkes County on March 21, 1924, son of the late Reverend Monroe and Mollie Reynolds Dillard. He married the former Reba Adams also of Wilkes County on January 21, 1946. They have two children: Karen, who married Frank Davidson, now living in Salisbury, N.C.; and Billy Dean, who married Janet Johnson of Armory Road, North Wilkesboro, N.C. They have three grandchildren.

Reverend Dillard was ordained to preach the Gospel by Pine View Baptist Church on January 23, 1955. He has pastored the following churches during his ministry: Pine View, Center, Haymeadow in Stone Mountain Association; Rock Springs in the Stony Fork Association; Pleasant Grove in Brushy Mountain Association; Oak Grove in Elkin Association; and Goshen, Fishing Creek and Millers Creek (where he served as the first pastor of the newly formed mission church) in Brushy Mountain Association. He also served as pastor of Mountain View Church in Yadkin County and of White Plains and of Three Forks in Alexander County.

History of Mount Pleasant Baptist Church 1976 - 1985

Mt. Pleasant Baptist Church has a membership of 433 and five percent of their offering is given to the Cooperative Program.

Within the two years of 1977 and 1978 much remodeling was done in the fellowship hall and parsonage with air conditioning installed and a choir loft elevated. In 1978 church signs were placed on the highway pointing to the church by the family of J.C. McNeil. Greene Brothers gave cushions for the pews in the sanctuary. The *Biblical Recorder* was sent to every church family. Harold Bass directed the choir in the first Christmas Cantata.

In 1979 the church vestibule and sanctuary were painted and new carpet installed. A deacon family plan was adopted. The church employed a choir director.

On March 6, 1980, the pastor of 17 years, Rev. J.C. Shaw, died suddenly. The church adopted resolutions of respect and appreciation for Rev. Shaw. A memorial fund was raised to assist in the construction of a home for Mrs. Shaw. A dishwasher and refrigerator were purchased for the parsonage. Landscaping and repaving were done on the parsonage property. Air conditioning was installed in the Sunday School rooms behind the sanctuary. Also, the church purchased four acres of land adjoining the cemetery property.

In June 1982, Rev. Lawrence Goodman was called as pastor. The parking lot was extended and paved. A new furnace for the sanctuary and parsonage were purchased. A monthly newsletter was started for the members. The space between the church and fellowship hall was enclosed for a pastor's study and prayer chapel; also, the library was completed. Commercial stove and freezer were purchased for church kitchen and meals were served each month. A new lawn mower was purchased.

In 1984 more equipment was purchased; folding doors, vinyl covering, carpet. Painting was done inside and outside. New furniture was purchased for the pastor's study and Sunday School rooms.

In 1985 a gift of land was received from Lennis Triplett and wife, Vera, located behind the fellowship hall so as to extend the building program. Also, Sister Foster made a gift for a church steeple. In February 1985, Rev. Lawrence Woodman resigned as pastor. Rev. Albert Young served as interim pastor. In June of 1985, Dr. James A. Hubbard was called as pastor. The church guttering was replaced.

J.C. McNeil died in June of 1983. His sister, Lizzie Shoemaker, died in May of 1984. They were the oldest members of the church and the children of James Oliver McNeil who was founder of Mount Pleasant Baptist Church.

Respectfully submitted,
Mrs. W.K. Sturdivant

History of Goshen Baptist Church

For some two or three years before Goshen Baptist Church was begun, Baptist people in the Goshen community conducted a Sunday School in a Methodist church in that same vicinity. Finally in February 1914, the Reverend L.B. Murray, with T.F. Walsh, C.M. Carlton, Mr. and Mrs. Robert L. Proffitt and J.E. Ferguson met and organized Goshen Baptist Church.

The first pastor of the church was L.B. Murray, who served for four years. Following him came B.F. Austin, who served one year; again L.B. Murray, who served one year; I.C. Woodruff, for six years; L.B. Murray again seven years; Isaac Watts, for 13 years; Clate Brown, for six years; Albert Pruitt, for four years; Richard Byrd, for 10 years; James Williams, for four years; Glenn Ballard, for one year; Dean Dillard, for four years; Larry Broome, for six years; and Rev. Pat Fortner is now serving as pastor.

The First Goshen Baptist Church was completed at a cost of only \$350.00. It was a frame building, built on property given to the church by C.M. Carlton.

A church bell was purchased in April 1916, at a cost of \$41.62, and placed in the belfry. The first service was held in the building May 13, 1916.

In 1952 a second more modern church was started to replace the original church. In 1961 the third Goshen Baptist Church was started as a result of W. Kerr Scott Reservoir construction. Land was purchased on Highway 268 and construction was begun on the present church building.

In 1972 a parsonage was begun to provide housing for our pastor. In July of this year a vestibule, and two bathrooms were added on the front of the building.

Respectfully submitted,
Mrs. W.K. Sturdivant

Constitution

PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

ARTICLE I — NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

ARTICLE II — PURPOSE

It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the Association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention.

ARTICLE III — MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk at any annual session of the body. The Moderator shall refer the church to the Committee on Membership for study and investigation. The church maintains for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Coordinating Council of the Association, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association.

General Board Report

The General Board of the Baptist State Convention of North Carolina met in January at Caraway, May at Chowan College, and in September at Caraway. The following committees met and shared before the General Board their functions and status: Stewardship, Missions, Youth and Campus Ministries, Evangelism, Church Programs, Business Management, Communications, Council on Christian Higher Education, and Council on Christian Social Services. Each board member is on one or more of these committees.

Dr. John T. Bunn was elected president of the General Board. A major discussion before the General Board was the question of how to enhance the N.C. Missions Offerings. The question is before the convention whether to have one or two special offerings for N.C. Missions. The Covenant Relationship Committee of the Council on Christian Higher Education has begun its review of the relationship of Wake Forest University to the convention.

The convention enjoyed the solid leadership of Dr. Roy Smith's first year as General Secretary-Treasurer.

Respectfully submitted,
Al Andrews

On July 8, 1985 at Welcome Home Baptist Church, I called the meeting to order. Pastor Charles Edwards gave a welcome to the messengers and visitors who were present. Rev. Dale Ellenburg read scripture and Rev. Jimmy Hubbard led in prayer. New pastors were recognized in each of these quarterly meetings. Announcements were made and a business session was held. Rev. Paul Hugger and Hal Melton presented the People Search/Scripture Distribution. They stressed the door to door people search giving out one New Testament per household. A video on "Good News America, God Loves You" was shown. Rev. Lynn Parsons gave the benediction and the meeting was adjourned.

We are looking forward to our annual meeting in October because of the good fellowship among the different churches and the good singing and preaching.

Director of Missions' Report

In August I began my tenth year of service to Brushy Mountain Baptists. I am grateful for the opportunities you have opened to me for ministry during the past nine years. The 1984-85 associational year has been an especially active year for your Director of Missions. During this year we had a highly successful World Missions Revival in conjunction with three other Wilkes County associational groups - Stone Mountain, Brier Creek, and Elkin. In preparation for this activity I was privileged to lead 20 planning meetings and during the week of World Missions Revival I brought missionary messages in eight churches.

During the associational year I have been privileged to preach on 13 occasions in our churches, have made 25 non-preaching visits, led two deacon training schools, taught a January Bible Study, conducted one Seminary Extension course, taught 36 Sunday School classes at Wilkes Towers, spoke on radio 62 times, led six nursing home worship services. During this time I have served as president of the N.C. Director of Missions Conference, have attended 30 state-level training or planning meetings, participated in 45 associational planning meetings, and have had the privilege to do personal problem counseling with 10 persons for a total of 80 hours. I have attended four conventions (S.B.C. in Dallas, Texas, Baptist State Convention, Evangelistic Conference, and N.C. Director of Missions Conference). You have also made it possible for me to be active as President of Wilkes Day Care Center, be active in Wilkes Ministerial Association, and to serve on the Board of Directors of Hospice and S.P.E.C. I am grateful for all of these opportunities to minister in the name of our Lord Jesus Christ.

As we prepare for Good News America Simultaneous Revivals next year, I look forward to our associational year with keen anticipation.

Bill McKinney

State Missions Report

It is a pleasure to report the emergence of a number of our churches in their individual participation in N.C. State Missions work and to also note that we have again had two graduates of Fruitland who have returned and are serving as pastors. This year, we also had a great many opportunities in our own state as we sent several work crews to help repair damages of tornadic storms across our state and others who went to the N.C. Baptist Assembly at Caswell to build or rebuild various structures. A very large group left the Wilkesboro Church for work at Pippa Passes, Kentucky and our community of churches has been richly rewarded by their faith and testimonies.

We have also seen a widening of the ministry to the deaf in our association which shows great promise. There are plans afoot to try for some ministry to the migrants and also to reach others who have come to Wilkes County from other nations and cultures. We are truly blessed when God calls out some of our people for special ministries of this sort and the large State Missions offering was received as a result of stewardship on the part of various volunteers.

Missions Committee Recommendation

The Missions Committee of our association has received a request from the West Virginia Baptist Convention for pastoral support assistance. The request involves salary for Pastor Mark Partin, a Southeastern Seminary graduate who has accepted the challenge of developing an existing mission congregation at West Union, West Virginia and seeking to establish a new mission in the nearby town of Pennsboro. The West Union Mission is the only SBC work in Doddridge County. No SBC work is now in existence in Pennsboro nor Ritchie County where Pennsboro is located.

Two-thirds of the necessary support for this work has been committed by the Home Mission Board and the local congregation. The remainder of the necessary support is \$500.00 per month. Your Missions Committee recommends that Brushy Mountain Baptist Association commit itself to providing the needed support over a five-year period on a diminishing basis: \$6,000.00 for 1985-86, \$4,800.00 for 1986-87, \$3,600.00 for 1987-88, \$2,400.00 for 1988-89, \$1,200.00 for 1989-90.

Jim Gore, Chairman

Associational Missions Committee Report

The past year has presented several opportunities for missions in our county and elsewhere.

The minutes in last year's annual report left the work in Davisville, West Virginia in the hands of several study committees. The recommendation from the sponsoring church was to conclude the work until further notice, which the Missions Committee accepted. We are in the process of investigating other mission opportunities in West Virginia.

Other ministry opportunities include plans for a NASCAR race ministry at the North Wilkesboro Speedway beginning this fall. The ministry at Wilkes Towers has continued during the year. The ministry at Foster-Richardson Rest Home is being carried on by 10 of our churches and Rev. Ken Hix of Millers Creek Church conducted services at Salem Campground for several months during the spring and summer. We are grateful for the privilege of sharing Christ in these ways.

The Missions Committee is encouraged and strengthened by your support of these ministries. Pray that our Lord will continue to open doors of service to those who need to hear and that we as an association will have the courage and means to meet the challenge.

Respectfully submitted,
James M. Gore

Evangelism Report

We are told that only three percent of all lost people come to our churches on their own. This means that 97 out of every 100 are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the homes and market places to share with lost humanity the "Good News" of Jesus Christ!

All Baptists are urged to participate in the "Good News America, God Loves You" Simultaneous Revival effort, March 23-30, 1986, as well as the corresponding Evangelistic People Search and Scripture Distribution, this month, October 20-27. The united prayer effort and careful cultivation of prospects is vital to the success of this effort.

To assist churches in equipping members for effective soul winning and cultivation of prospects, Lay Evangelism Schools (LES) will be conducted at several locations, next month, November 18-22, throughout our association. Formal classroom training, small group activities, plus on-the-job witness training help committed Christians overcome the fears and hesitation of sharing the gospel with lost persons.

If the enemy can make us feel negative, skeptical, and discouraged about winning the lost - and the efforts we make to encourage one another to win the

lost, then he has won his victory. But remember, "... greater is He that is in you than he that is in the world!" Let's let the Lord Jesus have the victory in our lives!

Home Missions Report

The Home Mission Board's (HMB) single task is direct missions - hiring and placing missionaries on the field - in their efforts to tell our nation about Jesus Christ beginning with the local church as the primary agency for missions, evangelism and ministry.

The association unites the community of churches into a local fellowship. To assist the association, the HMB has developed many programs and responds to requests from Directors of Missions and other workers helping to have a greater opportunity of making an impact on the nation's non-Christian people.

State conventions and the HMB work together in selecting and appointing missionaries, budgeting for mission work penetrating into places neither the HMB nor the state conventions could reach alone.

The HMB has one unique assignment from the Southern Baptist Convention (SBC). This is to establish and carry out a national missions plan resulting in a greater impact on a national scale of Christ's Charge: "Go - do all things I have commanded."

All 50 states, Puerto Rico, America Samoa, Canada and the American Virgin Islands have missionaries supported through the HMB. Approximately 3,700 missionaries serve throughout America while almost 300 staff and support personnel work full-time with the HMB in Atlanta, Georgia. The HMB places about 46,000 special workers on mission fields each year. This includes evangelism workers, choirs, youth and adult mission groups, student summer and semester missionaries, Sojourners for older teens and young adults, campers on missions, and Christian Service Corps volunteers.

One hundred million Americans identify with a language culture group other than Anglo-Americans. More than 1,300 language missionaries serve these groups. Today the HMB ministers to 84 of the 200 language groups in the United States. About 315 missionaries serve in Christian Social Ministries. Approximately 900 pastors, many of whom serve in newer areas of the convention, receive Church Pastoral Aid from the HMB. Almost 80 US-2ers - college graduates - serve as missionaries for a two-year term working on home mission fields. A total of 11,101 Mission Service Corps volunteers have been assigned to home mission fields since 1976. More than 50% of the annual Home Mission Budget is committed to ministries in newer areas of the convention. The HMB total budget for 1984 was \$57,300,000. Operation of the HMB and its ministries cost \$4,775,000 per month, \$1,101,923 per week, \$156,557 per day, \$6,523 per hour or \$109.00 per minute.

Baptist Foundation Report

Whether we look at our objectives in life as individual Christians or collectively, as a church, an association or convention, we should be interested, above all other life's objectives, in presenting the message of Christ to those who need to know and accept Him as Lord and Savior. One of the most exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future. Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our lifespan and, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totalled \$265,029.34. Additions and contributions to new and existing trusts totalled \$741,153 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totalled \$10,930,279. Real estate holdings have an estimated value of \$4.478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totalled \$471,563 during 1984. Investing of Foundation assets is carried out under the direction of the Board of Directors elected by the State Convention. Day to day management is given to the investments by two fiscal agents selected by the Board. Investment philosophy now used calls for maximum return with some internal growth. Throughout the 65-year history of the Baptist Foundation, its Directors have taken seriously their fiduciary responsibilities as related to the trusts held as well as to the convention.

Support of new church growth through trusts will receive increasing attention by the convention in the immediate future. A variety of methods are available to North Carolina Baptists through their Baptist Foundation. Information concerning these and other services of the Foundation are available by contacting the Foundation office at P.O. Box 26508, Raleigh, NC 27611.

Properties Committee

An examination of the association property reveals that the buildings, equipment, and real estate are in good order and are being properly maintained. Only minor repairs have been necessary during this year. Funds were budgeted for replacing some floor covering at the parsonage but this was deferred due to lower-than-usual cash availability. The budget provides an allocation for this purpose during the 1985-86 associational year.

The association's facilities are insured at appraised value. No acquisitions nor major expenditures are contemplated during the coming year.

Foreign Mission Report

It has been a year of miracles on our foreign mission fields, says President Keith Parks. Wells of water have sprung up in desert places and the illiterate have learned to read. Doors have opened into new countries, numbering now 106.

Eleven thousand Southern Baptists have served in these countries, 3,500 of whom are missionaries, and the remainder volunteers. These volunteers were involved in 226 projects in 48 countries. Thrilling indeed have been the partnership projects shared by conventions and groups, such as this well digging report: "As water gushed from a new well, and a 70-year-old woman rolled on the wet ground with joy, while other villagers danced and sang, the toughened well driller stepped behind his rig and wept."

The final report on the Lottie Moon Christmas offering fell slightly short of the \$66,000,000 goal (98.1%), yet in the first four months of last year, Southern Baptists gave \$5 million to World Hunger, more than the total offering of the previous year.

On April 15, James Baker Cauthen, affectionately known as "Mr. Foreign Missions," died at his home in Richmond. In his last sermon before the Southern Baptist Convention, he challenged us: "Let us pray, go, give, send, preach, teach, bear witness to the lost, the hungry, the poor, the broken, the distressed, and if need be, to suffer and die that the name of Jesus Christ be made known to every human being on the face of the earth." And Dr. Parks, his successor adds, "This year let us put the Thrust in Bold Missions."

Woman's Missionary Union Report

Following the theme "By Love Compelled," Brushy Mountain W.M.U. has gone forward this year. Even though the leadership has passed from Dorothy Rose to Mabel Couch to Ruth Craig, the women of vision have not faltered in their purpose to carry out the Great Commission by studying, praying, giving, and going.

Beginning with Leadership Training in August the council moved on to direct Leadership Training in the association in September; taught Foreign Mission studies in November for all age groups at Wilkesboro Church; participated in a Prayer Retreat in January at Hinshaw Street Church, led by Fay Fin-cannon; and had fellowship at the annual meeting at Wilkesboro on May 7, with Bernice Cross, centennial chairman, as speaker.

In keeping with "Come Grow With Us," Betty Pardue, Baptist Women Director, helped organize a full graded W.M.U. at Sharon Walker Church. Betty also

taught Mission Study and participated in a mission project in Kentucky. Martha Colwell, Director of Acteens, conducted three training sessions for Acteen leaders, and led in four activities for G.A.'s: Foreign Mission Study, a Lock-In, Super Saturday, and a picnic in the park. Two Acteen organizations were reorganized - at Roaring River and Pleasant Home, and two new organizations begun at Purlear and Sharon Walker. G.A. Director, Beverly Cook, supervised a sleepover for 75 girls at First Baptist Church in North Wilkesboro in January, and hosted a social at their home in October for her G.A. leaders. The council has had several planning sessions and has added to the team, Linda Phillips as Baptist Young Women's Director, and Mae Duncan as assistant W.M.U. Director. As we review our history in preparation of the centennial year, we renew our commitment to be "Laborers Together with God," which was their first watchword.

Annuity Board Report

I am sorry to report that we had a decrease in the number of participants by the Brushy Mountain Baptists in the Southern Baptist Retirement Program in 1984. Last year we had 28 churches and 32 members enrolled in the retirement program. This year we have 27 churches and 24 members enrolled. It is my prayer that each church will give serious consideration to a retirement plan and include in your study the plans offered by the Annuity Board. The Annuity Board of the Southern Baptist Convention is one of four Convention Boards. Its purpose is to provide relief, support, benefits and annuities for aged or disabled ministers and paid workers in Southern Baptist churches and agencies. It also provides for the widows and orphans of these people. The Bible teaches us to support the people God calls to serve.

The Annuity Board believes people can serve the Lord enthusiastically and effectively when their financial needs are met. The retirement and insurance programs offered by the Board are designed to meet the needs of God's servants. There will be a new Church Annuity Plan effective January 1, 1988. This plan will be for ministers, directors of missions, church and associational personnel. This new plan will be of tremendous importance to all who are in the Retirement Program. For additional information contact your associational representative or your state annuity or call the Annuity Board toll free number, 1-800-262-0511.

Brotherhood Report

Baptist men continue to be deeply involved in North Carolina and Global Ministries. We are in our fifth year of our five-year partnership with West Virginia Baptists. Over 30 North Carolina churches have already requested and been assigned construction projects for 1985. Churches of the New South

River Association in cooperation with churches of the Columbus Association went to Sutton, West Virginia to build a two-story Educational/Fellowship/Workshop facility there. They also set a goal of raising \$37,000 to purchase materials for the project. Along with working during the day hours, a crusade/witnessing team will be involved. Many more churches returned to West Virginia to complete projects begun in the summer of 1984. We are close to reaching the goal of the partnership of starting 100 new works there in a five-year period.

The excitement and spiritual growth of North Carolina churches during this project can be easily recognized in the life of those who went. Already 514 groups have gone to participate in missions in West Virginia and have touched 75 churches in some way.

Many Baptist men were involved in 47 lay-led revivals and 31 lay renewal weekends. Ministries were continued in prison units and in combating pornography, alcohol and drug use. In April the Baptist Children's Home of North Carolina requested use of the Disaster Relief Unit for sleeping facilities during their 1400 mile run across the state to celebrate their 100 years. On May 28, the unit left with the six runners as they began their 1400 mile run. It has traveled the length and breadth of this state, traveling through 38 counties and 135 towns. It has stopped at 40 different churches for an overnight stay. Once again, the unit has been called upon to minister a service and has proven itself.

Mission teams are continuing to work in Antigua, Nigeria, and Brazil; also, individual physicians, surgeons, and dentists served in other parts of the world. Wells, bridges, and many buildings are now well underway in Togo, West Africa. Volunteers from North Carolina have gone in steady numbers since July of 1984 to be a part of a "Partnership in Wholeness" that North Carolina and the Togo Mission are involved in - a bridge that will span some 175 feet across the Mono River. This bridge, being built by North Carolina volunteers will make it possible for year-around passage across the river. The bridge will make it possible for people in Moretan and other villages to take their crops to market, get to medical facilities, and to other parts of the country. According to the village chiefs, this is one of the greatest needs.

Also, water wells have been drilled in record numbers; to-date there have been 32 wells drilled. The amazing record is that there have been only a few "dry wells." Twenty-seven wells produced water and 22 pumps have been installed to pump water.

School of Christian Studies Report

Please consult the Associational Annuals for 1981 and 1982 concerning information of introduction pertaining to Seminary Extension Programs throughout the United States and North Carolina.

In our association last fall we offered only one course of study - NT 0190 REVELATION. This course approaches the book of Revelation historically, exegetically, and from the standpoint of its unique literary method. Twelve persons received credit for this college-level course. The course was taught by W. Paul Shoupe.

In the spring we offered one course of study - CH 0210. This course introduces the student to some phases of Baptist history so that he (she) will have a better understanding of our Baptist heritage. Ten persons enrolled in this college-level course. This course was taught by Dr. Bill McKinney.

This fall, we are offering one course - HOW TO UNDERSTAND THE BIBLE - BB 0100. This course is a basic introduction to the nature and purpose of the Bible and how to understand it. As a background for in-depth Bible study, the course deals with such basic considerations as the nature of the Bible itself, principles of biblical interpretation, how the Bible came to be accepted as authoritative, kinds of literature in the Bible, a history of the Bible in English, and the relevance of the Bible in life today. This is a college-level course and the teacher is Dr. Bill McKinney. The course will begin October 15, 1985 and continue on Tuesday nights through December 10, 1985. The cost of the course is \$24.95. The place of meeting is the associational office. The course writer is Dr. Frank Stagg and the textbook is "How to Understand the Bible" by Dr. Frank Stagg, Dr. Ralph Herring, and others.

Next spring we will also offer one course - EVANGELISM IN ACTION - EC 51. This is a study of what it means to be a Christian and how *anyone*, guided and empowered by the Holy Spirit, can improve his (her) personal witness in evangelism ministry. LeRoy Ford is the writer of the Study Guide for this course. This is a Basic Curriculum Course and there will be no examinations. This course will begin January 14, 1986 on Tuesday night and continue through March 18, 1986. The cost is \$16.00. The place is the associational office. The teacher is to be announced later.

Sunday School Report

I assumed the responsibility of Associational Sunday School (ASSIST) Director in March of this year. The ASSIST team members and I have been involved in various training events throughout the state including Key Leadership at Ridgecrest and the regional training at Green Street Baptist Church High Point.

The Vacation Bible School Clinic was held at the Wilkesboro Baptist Church in April of this year. The conference leaders did a superb job with the clinic and the churches were well represented. The emphasis on Adult V.B.S. was impressive.

The ASSIST Director led a Curriculum Workshop at Parkway Garden Baptist Church and an Outreach Clinic and Banquet at Oakwoods Baptist Church. Several promotional letters were mailed in an effort to communicate with Pastors and Sunday School Directors about our interest and concern in their Bible Teaching Program.

A Pastor/Sunday School Director Workshop was held at the Hinshaw Street Baptist Church in July. Next year this is scheduled for August.

The Associational Training School was conducted on September 16-17, 1985 at the Wilkesboro Baptist Church. This involved a study of "Basic Sunday School Work" for each age group. We appreciate the good preparation of the ASSIST team members for this training opportunity.

Please check the Associational Calendar for upcoming events in Sunday School in our area and in the state. We will be available for personal consultation upon request.

American Bible Society Report

The American Bible Society (ABS) is an interesting organization. It cooperates with approximately 100 other Bible societies around the world in providing Bible translations for between 500 and 600 languages.

The ABS came into being in May 1816. Several early leaders of the ABS were also leaders of our country. John Quincy Adams was a vice president, and John Jay was a president. Since its founding, the ABS has distributed over 3.6 billion copies of some portion of the Bible.

The ABS translates and distributes portions of the Bible to those who request them. There are often traditional versions, such as the King James Version and there are "common language" versions, such as the Good News Bible (for young people). About one-half of the world's languages (or 98% of the people) have a translation of some portion of the Bible. There are still about 3,000 languages which have no written translation of some portion of the Bible.

If a person, church, or denomination wishes to have copies of the Bible to distribute, they may request them from the ABS at 1865 Broadway, New York, New York 10023. The ABS charges for these copies of the scriptures depending on the ability to pay. In 80 different countries, for example, the average laborer makes less than one dollar a day, so these people would receive their scriptures at no charge.

Last year the Southern Baptist Convention churches gave \$309,610.00 to help support scripture translation and distribution throughout the world. The ABS also accepts individual and church contributions and local volunteers. Additionally, the ABS offers life income plans for substantial contributors.

Ordination Committee Report

At the request of New Hope Baptist Church the Ordination Committee was convened on December 16, 1984 to examine John T. Vannoy III, as a candidate for ordination. In the absence of Chairman James Craig, Sherrill Wellborn presided. Deacons from both New Hope and Purlear churches were present. The Ordination Committee was unanimous in its recommendation that New Hope Baptist Church proceed with the ordination of Brother Vannoy who has been called as pastor of Purlear Baptist Church. The ordination was carried out on December 30, 1984.

On June 29, 1985 the Ordination Committee met at Cub Creek Baptist Church to examine J. Lynn Parsons. The committee voted to ordain Lynn on June 30, 1985 at Cub Creek Baptist Church at 2:30 p.m. Brother Lynn Parsons has been called as pastor of the Lewis Fork Baptist Church Mission.

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 779! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents help students when they guide them to Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.
